

GRILLIANT FOODS BEER PRICES

SUNKING BREWING

DEPARTMENT OF LEISURE. ABV:5.9% IBU:20 \$6.00

A mutual love of plaid pants and bronze medal winning beers have brought together the brewers of Bagby Beer and Sun King Brewery to produce Department of Leisure Services, a ginger and Makrut lime infused Belgian-Style Ale made just in time for the 2015 Sun King CANvitational.

FISTFUL OF HOPS "RED". ABV:6.4 IBU:75. \$6.00

Fistful of Hops is our quarterly series of IPAs, each with the same malt base. We balance that base against a seasonal "fistful of hops" - each time a different variety. For our final Fistful release of 2015, we showcase the tropical fruit character provided by Azacca, Nelson Sauvin, and Liberty hop varieties.

OSIRIS. ABV:5.6 IBU:50 \$5.00

Osiris Pale Ale is an assertive West Coast-Style Pale with a distinct citrus hop punch.

SUNLIGHT. ABV:5.3 IBU:20 \$5.00

Sunlight Cream Ale celebrates American brewing tradition by balancing smooth malt complexity with a crisp, clean finish.

WEE MAC. ABV:5.3 IBU:23 \$5.00

Wee Mac Scottish-style Ale is an enticing and malty brown ale with caramel, cocoa, and hazelnut character balanced with toffee undertones.

FLAT 12 BIERWERKS

Hello my name is Amber ABV:5.8 IBU 40. \$4.00

Hoppier than its English cousins this American amber ale will have you saying "Jolly good show" when the maltiness rolls across the palate and locks fingers with the spicy hop finish. Hopped to the top end of the style, Flat12's amber ale maintains its composed American character throughout.

Half Cycle IPA. ABV: 6 IBU: 104. \$4.00

The Half Cycle is so named due to its marriage of single and double IPA characteristics. In baseball parlance, a single and double is half of "the cycle", and this IPA is a heavy hitter. It's a single IPA, hopped like a double, with an over-the-top hop character that's a bit spicy, citrusy, piney, you make the call. Light in color, but not on flavor, Half Cycle is dry hopped with a pound of high alpha American hops in every barrel.

Pogue's Run Porter. ABV: 5.5 IBU 34.1. \$4.00

The Flat12 Porter is inspired by the robust porters favored by the Industrial-age working men of Europe. We chose to emphasize balance from a combination of dark grains including brown malt, which was the primary roasted grain of the time. This Flat12 creation is smooth and balanced with slight roast and chocolate notes, yet it's not heavy, just like a good porter should be.

3 FLOYDS

Yum Yum. ABV: 5.5 IBU: 63. \$5.00

This Pale Ale has just the right malt backbone to support an explosive juicy hop profile. Derived from a new blend of proprietary hops.

Gumballhead. ABV: 5.6 IBU: 35. \$5.00

An American wheat beer with a refreshing, crisp citrus finish. This delicious session beer is brewed with boatloads of Amarillo hops.

Robert the Bruce. ABV: 6.5 IBU: 24. \$5.00

A full-bodied Scottish-style Ale with a well-rounded malty profile and roasted biscuit-like notes.

TIN MAN

Alloy. ABV: 5.8 IBU: 52. \$5.00

A blend that is better, faster, and stronger than its component parts, Alloy delivers a fine-tuned amalgam of light body and robust hops in this American Pale Ale. Enhanced by the seamless fusion of its individual elements - golden hue, light body, robust hops, and exemplary flavor - Alloy sates, refreshes and summons you to become one of us.

Apricot Sour Ale. ABV: 5.2 IBU: 12. \$5.00

Unique, refreshing, and far from ordinary, Tin Man's Damascene Apricot Sour is a blend of traditionally soured ale and apricot juice. Pouring a straw-pale color, this beer's aroma has hints of lactic acid bite dominated by the smell of fresh apricot. The tartness from the sour ale is balanced by the distinct taste and sweetness of apricot, creating a flavor reminiscent of sour candy and fresh fruit. Exceptionally refined and highly drinkable, Damascene Apricot Sour is a delicious example of what craft beer can be.

TRITAN

FIELD House Wheat. ABV: 5.4 IBU: 25. \$4.00

An American Wheat Ale the way it's supposed to be. Crisp and refreshing, golden in color with a white head, the Fieldhouse Wheat is moderately hopped with Falconer's Flight hops for a thoroughly friendly experience.

Rail Splitter IPA. ABV: 7.0 IBU:70. \$4.00

Our flagship beer, and a true example of the style, the Railsplitter India Pale Ale (IPA) is a fresh golden brew with noticeable citrus and floral aromas balanced on a nice malty backbone with a dry finish.

UPLAND

Champagne Velvet. ABV: 5.5 IBU: 29. \$4.00

Classic American Pilsner. The balance of corn and malted barley provides a golden straw color and subtle sweetness, reminding the drinker of a time when corn would be used to provide flavor and stability to beer.

Dragon Fly. ABV:6.7 IBU: 65. \$4.00

A solid malt base, however, tempers the bitter American hops, giving Dragonfly a balance not often found in this style. The end product is a well-balanced, malty beer with the crisp taste of hops and an exceptionally floral nose.
