**History of Downtown Laguna Beach**
by Historical Society Board Members Eric Jessen and Gene Felder

The PowerPoint program includes numerous historic photos and information. Historical Society Past President Gene Felder and long-time Board Member Eric Jessen will use information from a variety of sources to detail the rich history of the downtown area. The program is a work in progress, so come and suggest what should be added.

**George Rogers and the First School**

"Rogers built a one-room school adjacent to his home [now location of City Hall] for his eight children and hired a teacher. Several other children attended as well, marking this as Laguna's first real attempt at public education. This building later became the home of the Old Joe Lucas, as Portuguese fisherman who spoke English only while swearing. He was Laguna's first "Greeter", the predecessor of the famous greeter Eiler Larsen, who waved to motorists on the highway from the 1940's through the 1960's." [Karen Wilson Turnbull]

Please attend the Laguna Beach Historical Society program, which is of course free, and will be held at Laguna Beach City Hall Council Chambers, 505 Forest Avenue. The program will cover downtown Laguna Beach from the 1870s through the early 1930s and includes a PowerPoint with many historic photos.

We expect Beryl Wilson Viebeck to attend and bring copies of her painstakingly researched Laguna Beach Homesteading map; some may be available for sale. Beryl is a descendent of early homesteader Henry Rogers, and George Rogers who subdivided downtown Laguna. Her step-grandfather was Abe Johnson, Laguna Beach's first Police Chief.

Wow! Was the last program great? We thank Matt Quilter for entertaining and educating us about surf music, a genre created in Orange County and the South Bay area. The program was great, and we truly thank the Susi Q, Chris Quilter and Patty Koss for making this special program possible. Jane Janz, Gene Felder and the Program Committee are doing a great job. Historical Society member Roger Kempler is working on getting a date for the “Brotherhood of Eternal Love” program, and is helping to organize a program next year on the history of the Festival of the Arts and the Pageant of the Masters.

Mark your calendar for Thursday, April 7th and a program on St. Francis By the Sea Cathedral Chapel by former Historical Society President Anne Frank and Bishop Percy Wise Clarkson's granddaughter Jessica De Stefano. We plan the election of the Board of Directors and Bylaw revisions at that meeting. Email Gene@Felders.Net to receive Bylaw change details.

View historic photographs at www.Laguna-Historical-Society.smugmug.com. Viewers are invited to leave comments to help the Society better identify or date the photographs. At the web site, prints can also be purchase; for example an 8” by 10” glossy for $6.97 plus tax and shipping. Send questions on photographs or Laguna Beach history to info@LagunaHistory.org.

We thank all of our new members and volunteers.
