Shaded seating below is available for groups up-to 16 people. Upon request and given certain limitations, the bar can be reserved for up-to 12 people. For larger groups please contact us at 914.861.8001.

At Chappaqua Station we provide informal friendly service. With this in mind, we serve sit down groups family style with dishes presented in the center of the table for all to share. For social gatherings with seated and standing guests, we position plates of small bites at various locations across all tables, as well as some passed when possible. Our tables can be pulled out from the benches to allow for easy standing conversation from either side.
