RULES

Starting gun will be fired at the exact starting time, regardless of how many boats are on the line, unless in the judgment of the Regatta Committee an emergency exists in which case official notice will be given.

Drawing of lots for club-owned boats will be posted at 11 A. M. for all afternoon races.

Boat rounding bouy in wrong direction must go back and make correct turn.

Boat fouling bouy is disqualified and must drop out of race.

Right-of-way. Boat on starboard tack—boat to leeward—boat close-hauled over one running free.

Overtaking boat must keep clear and not alter course until absolutely clear of boat overtaken.

If boat with right-of-way is compelled to alter course to avoid a collision, boat causing foul is disqualified.
