

# DJ/Performer Waiver

We strongly encourage event clients to provide this form to hired DJs and/or performers upon booking. DJs and performers will be provided a hardcopy upon arrival for review and signature. We also recommend clients and DJs take inventory of what equipment is provided by The Rust Belt Market prior to the event. **Set up, soundcheck, and performance may begin *after* this waiver is reviewed, signed, and given to our onsite Market Manager.**

The Rust Belt Market is open to the public every Friday 2pm-9pm, Saturday 11am-7pm and Sunday 11am-6pm. The marketplace is a retail environment. DJs and performers are required to operate in a respectful and courteous manner.

- Performer(s) will not be authorized to begin music or performance until **after retail hours** unless given permission by The Rust Belt Market and its management.
- Performer(s) agree to limit sound check during market hours to 15 seconds maximum as to not conflict with market retail music.
- Performer(s) agrees to accommodate any and all equalizer/volume level requests made by The Rust Belt Market management.
- Performer agrees to load-in, set-up, and break-down equipment in a quiet, courteous and efficient manner.
- Sparklers, fireworks, and fog of any kind is prohibited.
- All audio/visual equipment that is property of The Rust Belt Market must stay within the event space at all times. Missing equipment will be deducted from client's security deposit.
- All audio/visual equipment that is property of a hired DJ/performer(s) must be removed from the venue the same day. Overnight storage is not permitted.
- The Rust Belt Market and its staff is not liable for missing property belonging to any DJ or performer.
- Use of propane and/or open flame is not permitted inside of the venue.
- Performer(s) agrees to leave the stage free of refuse and in the same condition as it was upon arrival.

Failure to comply with our policies is considered a breach of contract and may result in forfeiture of Client's Security Deposit.
