**Share the joy of cycling with Tulsa students this summer!**

Tulsa Hub is a nonprofit on a mission to change lives through cycling. This summer we are launching a **brand new** summer camp for students entering 7th--9th grade called **Leaders on Bikes - Tulsa Hub Summer Learning Academy**. This program is inspired by the idea that the bicycle is the ideal framework for teaching youth about mobility, health, interaction, empathy, autonomy and enhanced awareness of race, gender and equity in teenagers at a key point in their development. We will utilize the bike to travel an average of 15 miles a day to designated locations in Tulsa to achieve our learning objectives and build teamwork among our campers as they learn social inclusion leadership skills. We need YOUR help to make this happen!

**Tulsa Hub is reaching out to you today to invite you to sponsor Leaders on Bikes.** Will you align your name with empowering our teenage campers to become leaders among their peer groups? Will you say "yes!" helping to improve not only their futures, but those of others they will mentor back in their own marginalized neighborhoods? We think you will agree that the value of the life changes we hope to instill in these students is priceless. The cost for this weeklong camp per student is \$400, and we hope to provide 40 scholarships. Each participant will receive a bike, lock, helmet, safety gear, and a tool set to keep. Each student will be fed a healthy lunch daily, and will be invited to conclude their participation in the Academy by riding in the Loebeck Taylor Foundation Tulsa Tough Townie Ride with their family on Sunday, June 11th.

Your help in this venture will be promoted widely in Tulsa's media, on our website, and at the week long event. Your gift is fully deductible per our 501(c)3 educational nonprofit designation. Leaders on Bikes is coming up soon, **June 5th – June 9th**, so please submit the attached donation form no later than May 25th so that we may thank you in as much publicity as possible!

We look forward to an affirmative response of sponsorship from YOU to make this camp unforgettable for 2017 summer's new Leaders on Bikes program. We are excited to discuss further details of how YOU can be an important part of this opportunity to change lives through cycling!
