This SPD is a brief description of the principal features of the plan document and trust agreement and is not meant to interpret, extend or change these provisions in any way. A copy of the plan document is on file with the Plan Administrator and may be read by any employee at any reasonable time. The plan document and trust agreement shall govern if there is a discrepancy between this SPD and the actual provisions of the plan.

This SPD is based on the federal tax implications of your participation in the Plan, transactions made within your Account, and distributions you may receive from the plan. ## II. PARTICIPATION

### A. Eligibility Requirements

You are eligible to participate in the Plan if you are an Employee.

However, you are not eligible to participate if you are:

- a resident of Puerto Rico
- covered by a collective bargaining agreement, unless the agreement requires the employees to be included under the Plan.
- a leased Employee
- Any individual who provides services as an independent contractor (with payments made from Cast & Crew or BTL Payroll, Inc. on behalf of a Participating Employer either directly to the individual or to their corporation on their behalf), even if the individual is subsequently deemed to be a common-law employee for any other purpose, is excluded from this Plan. Leased Employees as set forth in Section 1.04(d)(2)(C) above are also excluded from Participation in this Plan, unless they are individually paid through Cast & Crew or BTL Payroll, Inc. for services rendered to the Employer. Any Employee of the Employer, as defined in Subsection 2.01(u) of the Basic Plan Document, must have entered into a three (3) year contract as of the Employee's Employment Commencement Date to be considered an Eligible Employee. However, if an otherwise Eligible Employee of the Employer originally had entered into a three (3) year contract as of his or her Employment Commencement Date, ceased to have a three (3) year contract at some date thereafter but continued to be employed as an Employee with the Employer, the Employee will remain an Eligible Employee unless he or she becomes a member of a class of Employees otherwise excluded from the Plan..

You are also not eligible to participate if you are an individual who is a signatory to a contract, letter of agreement, or other document that acknowledges your status as an independent contractor not entitled to benefits under the Plan and you are not otherwise classified by the Employer as a common law employee or the Employer does not withhold income taxes, file Form W-2 (or any replacement form), or remit Social Security payments to the Federal government for you, even if you are later adjudicated to be a common law employee.

You will become eligible to participate in the Plan according to the table below:

<b>Contribution type</b>	<b>Age Requirement</b>	<b>Service Requirement</b>	<b>Entry Date</b>
All Sources	None	3.00 month(s)	First day of each month

Once you become a Participant you are eligible to participate in the Plan until you terminate your employment with your Employer or become a member of a class of Employees excluded from the Plan. If you terminate your employment after you have met the eligibility requirements, and are later re-employed by your Employer, you will again be eligible to participate in the Plan when you complete one hour of service.

## III. CONTRIBUTIONS

### A. Compensation

Compensation must be defined to compute contributions under the Plan. For purposes of determining contributions, only Compensation paid to you for services you performed while employed as an Eligible Employee shall be considered. Eligible compensation for computing contributions under the Plan is the taxable compensation for a Plan Year reportable by your Employer on your IRS Form W-2, excluding reimbursements or other expense allowances, fringe benefits, moving expenses, deferred compensation, any payments made to an Employee performing Qualified Military Service in lieu of wages the individual would have received from the Employer if the individual were performing service for the Employer, unused leave, and welfare benefits and including salary reduction contributions you made to an Employer sponsored cafeteria, qualified transportation fringe, simplified employee pension, 401(k), 457(b) or 403(b) plan.

Compensation for your first year of eligible Plan participation will be measured only for that portion of your initial Plan Year that you are eligible. Tax laws limit the amount of compensation that may be taken into account each Plan Year; the maximum amount for the 2017 Plan Year is \$270,000.

## **B. Contributions**

### **1. Regular Deferral Contributions**

You may elect to defer a percentage of your eligible compensation into the Plan after you satisfy the Plan's eligibility requirements. The percentage of your eligible compensation you elect will be withheld from each payroll and contributed to an Account in the Plan on your behalf. For pre-tax contributions being withheld from your compensation, the percentage you defer is subject to an annual limit of the lesser of 60.00% of eligible compensation or \$18,000 (in 2017; thereafter as adjusted by the Secretary of the Treasury) in a calendar year.

All Deferral Contributions will be withheld from your pay on a pre-tax basis (for federal income tax purposes).

Your Deferral Contributions cannot be forfeited for any reason, however, there are special Internal Revenue Code rules that must be satisfied and may require that some of your contributions be returned to you. The Plan Administrator will notify you if any of your contributions will be returned. You may increase or decrease the amount you contribute as of the first day of each month. You may also completely suspend your contributions which you may resume as of the first day of each month. If you want to increase, decrease, suspend, or resume your Deferral Contributions, please contact Fidelity.

You may create an annual increase program to gradually raise your contribution rate each year.

### **2. Age 50 and Over Catch-Up Contributions**

The Plan provides that participants who are projected to be age 50 or older by the end of the taxable year and who are making Deferral Contributions to the Plan may also make a catch-up contribution of up to \$6,000 (in 2017; thereafter as adjusted by the Secretary of the Treasury).

### **3. Other Contributions and Limitations**

#### **a. Qualified Nonelective Contributions**

Your Employer may designate all or a portion of any nonelective contributions for a Plan Year as "qualified nonelective contributions" and allocate them to certain Non-Highly Compensated Employees to help the Plan pass one or more annually required Internal Revenue Code non-discrimination test(s). You will be 100% vested in these contributions and may not request a hardship withdrawal of these contributions.

#### **b. Limit on Contributions**

Federal law requires that amounts contributed by you and on your behalf by your Employer for a given limitation year generally may not exceed the lesser of:

\$54,000 (or such amount as may be prescribed by the Secretary of the Treasury); or

100.00% of your annual compensation.

The limitation year for purposes of applying the above limits is the twelve month period ending 12/31. Contributions under this Plan, along with Employer contributions under any other Employer-sponsored defined contribution plans, may not exceed the above limits. If this does occur, then excess contributions in your Account may be forfeited or refunded to you based on the provisions of the Plan document. You will be notified by the Plan Administrator if you have any excess contributions. Income tax consequences may apply on the amount of any refund you receive.

### **4. Rollover Contributions**

You can roll over part or all of an eligible rollover distribution you receive from an eligible retirement plan (a "Rollover Contribution") into this Plan even if you have not yet satisfied the age and service Eligibility requirements described in Section II above; however you will not become a Participant in the Plan until you have met the Plan's eligibility and entry date requirements. An eligible retirement plan is a qualified plan under Section 401(a), a 403(a) annuity plan, a 403(b) annuity contract, an eligible 457(b) plan maintained by a governmental employer, and an individual retirement Account and individual retirement annuity. An eligible rollover distribution includes any distribution from an eligible retirement plan, except any distribution from an individual retirement Account or an individual retirement annuity consisting of nondeductible contributions or any distribution from a 403(b) annuity contract consisting of after-tax employee

contributions. Making Rollover Contributions to the Plan that consist of assets other than qualified 401(a) plan assets may result in the loss of favorable capital gains or ten year income averaging tax treatment that may otherwise be available with respect to a lump sum distribution to you from the Plan. The loss of this favorable tax treatment may also occur if you make a Rollover Contribution to the Plan that consists of qualified 401(a) plan assets under certain circumstances. If you may be eligible for this special tax treatment, you should consult your tax advisor and carefully consider the impact of making a Rollover Contribution to the Plan.

The Plan Administrator determines which Rollover Contributions are acceptable and if any Rollover Contribution fails to meet the requirements of the Plan and must be distributed. If your Rollover Contribution to the Plan is not a direct rollover (i.e., you received a cash distribution from your eligible retirement plan), then it must be received by the Trustee within 60 days of your receipt of the distribution. Rollover Contributions may only be made in the form of cash, allowable fund shares, or (if the Plan allows new loans in accordance with the terms of this SPD) promissory notes from an eligible retirement plan. Your Rollover Contributions Account will be subject to the terms of this Plan and will always be fully vested and nonforfeitable. In general, if you receive an eligible rollover distribution as a surviving spouse of a participant or as a spouse or former spouse who is an “alternate payee” pursuant to a qualified domestic relations order (“QDRO”), you may also make a Rollover Contribution to the Plan.

The Plan will not accept a Rollover Contribution of any amounts attributable to Roth (after-tax deferral) contributions made to another plan.

## IV. INVESTMENTS

### A. Investments

The Employee Retirement Income Security Act of 1974 (ERISA) imposes certain duties on the parties who are responsible for the operation of the Plan. These parties, called fiduciaries, have a duty to invest Plan assets in a prudent manner. However, an exception exists for plans that comply with ERISA Section 404(c) and permit a Participant to exercise control over the assets in his/her Account and choose from a broad range of investment alternatives. This Plan is intended to be a Section 404(c) plan. To the extent that you have directed the investment of assets in your Account under the Plan, you are responsible for the investment decisions you made relating to those assets and the Plan fiduciaries are not responsible for any losses resulting from your investment instructions. To assist you in making informed investment decisions, your Plan Administrator is required to provide you with certain disclosures required under the Department of Labor's participant disclosure regulation (See DOL Regulation §2550.404a-5) initially and on an annual basis. You should contact your Plan Administrator with any questions regarding these disclosures. Fidelity is assisting your Plan Administrator in complying with this regulation and will make this disclosure notice available for you to review and access via Fidelity's website.

### B. Fidelity® Portfolio Advisory Service at Work

Fidelity® Portfolio Advisory Service at Work (the “Service”) is a managed account service that invests your workplace savings plan Account in one of several model portfolios created from a mix of your plan’s eligible investment options. The Service is managed by Strategic Advisers, Inc., a registered investment adviser and a Fidelity Investments company. The investment options selected are spread among broadly diversified investment types designed to help enhance growth and manage risk. When you enroll in the Service, you are assigned to a model portfolio based on either your investment time horizon, or on your financial situation, risk tolerance, and investment time horizon, depending upon what you choose during enrollment. Once enrolled, your current workplace savings account balance will be reallocated to align with the investment allocation of your assigned model portfolio; future contributions will also be invested according to this model portfolio.

While enrolled in the Service, you are delegating the ongoing management of your Account to the Service. In return for ongoing management, your account will incur an advisory fee for the Service as described in the Pricing Supplement. This fee will be paid from your Account. You will not be able to make any exchanges among investment options or otherwise direct or restrict the management of your account. The Service will allocate and, when appropriate, reallocate the assets in your Account to ensure that it stays in balance with the model portfolio’s current mix of investments. Whenever your Account is reallocated or rebalanced to fit your model portfolio, you will receive a confirmation detailing the transactions. You will also receive prospectuses for any investment option you did not previously own.

For more information regarding Fidelity® Portfolio Advisory Service at Work, or to enroll, log onto NetBenefits® at <https://netbenefits.fidelity.com/pas> or call a Fidelity Representative at 866-811-6041.

### C. Statement of Account

The assets in the Plan are invested in available investment options and a separate Account is established for each Participant who receives and/or makes a contribution. The value of your Account is updated each business day to reflect any

contributions, exchanges between investment options, investment earnings or losses for each investment option and withdrawals. Your account statement is available online through NetBenefits®, you can view and print a statement for any time period up to 24 previous months. A statement is also available to be automatically mailed to you every three months. You can initiate these mailings by logging on to NetBenefits® and selecting Mail Preferences under the Accounts tab.

## V. VESTING

The term “vesting” refers to your nonforfeitable right to the money in your Account. You receive vesting credit for the number of years that you have worked for your Employer and any Related Employer.

If you terminate your employment with your Employer, you may be able to receive a portion or all of your Account based on your vested percentage. You are always 100% vested in your Rollover Contributions, Qualified Nonelective Contributions, Deferral Contributions and any earnings thereon.

## VI. IN SERVICE WITHDRAWALS AND LOANS

You may contact Fidelity to take a withdrawal or loan from the Plan. The amount of any taxable withdrawal that is not rolled over into an Individual Retirement Account or another qualified employer retirement plan will be subject to 20% federal tax withholding and applicable state income taxes. A 10% Internal Revenue Code early withdrawal penalty tax may apply to the amount of your withdrawal if you are under the age of 59½ and do not meet one of the Internal Revenue Code exceptions.

The following types of withdrawals are available under the Plan:

### A. Hardship Withdrawals

As an Employee, you may apply to withdraw certain contributions to satisfy specific and heavy financial needs. In accordance with Internal Revenue Service regulations, you must first exhaust all other assets reasonably available to you prior to obtaining a hardship withdrawal. This includes obtaining any in-service withdrawal(s) available from your Account and a loan from this Plan and any other qualified plan maintained by your Employer. Your Deferral Contributions to this Plan, and any other Employer-sponsored qualified or non-qualified plan, will be suspended for six months after your receipt of the hardship withdrawal. The minimum hardship withdrawal is \$500. Hardship withdrawals will be subject to the 10% nonperiodic income tax withholding rate unless you elect out of the withholding.

If you qualify, you may apply for a hardship withdrawal to satisfy the following needs: (1) medical expenses for you, your spouse, children, dependents or a primary beneficiary designated by you under the Plan; (2) the purchase of your principal residence; (3) to prevent your eviction from, or foreclosure on, your principal residence; (4) to pay for post-secondary education expenses (tuition, related educational fees, room and board) for you, your spouse, children, dependents or a primary beneficiary designated by you under the Plan for the next twelve months; (5) to make payments for burial or funeral expenses for your deceased parent, spouse, child, dependent or a primary beneficiary designated by you under the Plan; (6) to pay expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under Section 165 of the Internal Revenue Code (without regard to whether the loss exceeds 10% of adjusted gross income); or any other immediate and heavy financial need as determined based on Internal Revenue Service regulations.

Contributions available to withdraw under the terms of this section are:

- Employee Deferral

### B. Withdrawals After Age 59½

If you have reached age 59½, then you may elect to withdraw all or a portion of your entire vested Account while you are still employed by your Employer.

### C. Withdrawals After Age 70½

Starting in the calendar year in which you reach age 70½, you may elect to receive distributions calculated in the same manner as Minimum Required Distributions. For more information, please refer to the paragraph so entitled under the Distributable Events subsection of this SPD’s section on Distribution of Benefits below.

#### **D. Withdrawals After Normal Retirement Age**

You may elect to withdraw your vested Account balance after you reach the Plan's normal retirement age, 65.00, or delay it until you retire. Notwithstanding the above, by law certain contributions including employee deferral, qualified matching, safe harbor matching, qualified nonelective, and safe harbor nonelective contributions cannot be withdrawn prior to age 59½.

#### **E. Withdrawals of Rollover Contributions**

If you have a balance in your rollover contributions Account, you may elect to withdraw all or a portion of it. There is no limit on the number of withdrawals of this type.

#### **F. Active Military Distribution**

If you are performing Qualified Military Service for a period of greater than 30 days, you may elect to withdraw your Deferral Contributions and Qualified Nonelective Contributions during your active duty period. You will be suspended from making any contributions for 6 months following the distribution and the withdrawal may be subject to the 10% early withdrawal penalty tax.

#### **G. Participant Loans**

Loans from your vested Account balance shall be made available to all qualifying Participants on a reasonably equivalent basis. Loans are not considered distributions and are not subject to Federal or state income taxes, provided they are repaid as required. While you do have to pay interest on your loan, both the principal and interest are deposited in your Account. You can obtain more information about loans in the Plan's Loan Procedures supplied by your Plan Administrator (which may be attached at the end of this SPD).

## **VII. DISTRIBUTION OF BENEFITS**

#### **A. Eligibility For Benefits**

A distribution can be made to you if you request one due to your disability, retirement or termination of employment from your Employer and any Related Employer. Your Beneficiary or Beneficiaries may request a distribution of your vested Account balance in the event of your death. The value of your Account balance will continue to increase or decrease, as appropriate, based on the investment returns until it is distributed.

You may defer receipt of your distribution until a later date. However, you cannot postpone it if your vested Account balance is \$5,000 or less in which case the Plan Administrator will direct the Trustee that any Account exceeding \$1,000 be distributed to an Individual Retirement Account or Annuity ("IRA") for your benefit. If your vested Account balance is \$1,000 or less, the Plan Administrator will direct the Trustee to distribute it to you as a lump sum distribution without your consent. Prior to such distribution you have the right to request that the amount be distributed directly to you as a lump sum payment or to request that it be rolled-over to a different IRA provider or another retirement plan eligible to receive rollover contributions.

If you fail to request a different treatment of an automatic distribution under the Plan's Cash-Out Provision, your distribution will be paid over to an IRA provider chosen by the Plan Administrator and invested in a product designed to preserve the principal of that distribution while still providing a reasonable rate of return and preserving liquidity. The fees assessed against this newly established IRA by its provider will be paid by the participant.

If you have questions regarding the Plan's automatic rollover rules, the Plan's IRA provider for automatic rollovers, or the fees and expenses applicable to the automatic rollover IRA, please contact the Plan Administrator. Your consent will be required for any distribution if your vested Account balance is greater than \$5,000.

You should consult with your tax advisor to determine the financial impact of your situation before you request a distribution. You may apply for a distribution by contacting Fidelity. Most distributions have been pre-approved by the Plan Administrator.

#### **B. Distributable Events**

You are eligible to request a distribution of your vested Account balance based on any of the following events:

##### **1. Death**

If you are a Participant in the Plan and die, your vested Account balance, if any, will be paid to your designated Beneficiary or Beneficiaries. If you are an Employee of your Employer or a Related Employer at the time of your death, your Account balance will automatically become 100% vested. Also, if you are a Participant in the Plan and die while

performing Qualified Military Service, then your Account balance will become 100% vested. You may designate a Beneficiary or Beneficiaries on a designation form that must be properly signed and filed with the Plan Administrator.

## **2. Disability**

Under your Plan, you are disabled if you meet the following criteria: you are determined disabled by a physician selected by the Plan Administrator.

If you become disabled while you are employed by your Employer or a Related Employer and then terminate your employment, you will become 100% vested in your Account balance if you are not already fully vested. You may request a distribution of your Account balance only if you terminate your employment with your Employer or Related Employer.

## **3. Retirement**

If you are an Employee of your Employer or a Related Employer at the time you attain your normal retirement age of 65.00, your Account balance will automatically become 100% vested.

## **4. Minimum Required Distributions**

You are required by law to receive a minimum required distribution from the Employer's Plan, unless you are a five percent owner of the Employer, no later than April 1 of the calendar year following the calendar year you turn 70½ or terminate your employment, whichever is later. If you are a five percent owner of the Employer, you must start receiving your distribution no later than April 1 of the calendar year following the calendar year you turn 70½. Once you start receiving your minimum required distribution, you should receive it at least annually until all assets in your Account are distributed. If you have any questions about your minimum required distributions, please contact your Plan Administrator.

## **5. Termination of Employment**

Generally, if you terminate your employment with your Employer and all Related Employers, you may elect to receive a distribution of your vested Account balance from the Plan.

### **C. Form of Payments**

#### **1. Lump Sum Distributions**

Your entire vested Account balance will be paid to you in a single distribution or other distribution that you elect.

#### **2. Non-rollover Distribution**

Any distribution paid directly to you will be subject to mandatory Federal income tax withholding of 20% of the taxable distribution and the remaining amount will be paid to you. You cannot elect out of this tax withholding but you can avoid it by electing a direct rollover distribution as described below. This withholding is not a penalty but a prepayment of your Federal income taxes.

You may rollover the taxable distribution you receive to an Individual Retirement Account (IRA) or your new employer's qualified plan, if it accepts rollover contributions and you roll over this distribution within 60 days after receipt. You will not be taxed on any amounts timely rolled over into the IRA or your new employer's qualified Plan until those amounts are later distributed to you. Any amounts not rolled over may also be subject to certain early withdrawal penalties prescribed under the Internal Revenue Code.

#### **3. Direct Rollover Distribution**

As an alternative to a non-rollover distribution, you may request that your entire distribution be rolled directly into a Fidelity IRA, a non-Fidelity IRA or to your new employer's qualified plan if it accepts rollover contributions. Federal income taxes will not be withheld on any direct rollover distribution.

When you call the Fidelity Retirement Benefits Line to take a withdrawal, you will be asked whether you will be rolling over any part of your distribution. If you wish to have any part of your distribution rolled over to an IRA or another qualified plan, you will need to speak to a Fidelity representative.

- a. Rollover to Fidelity IRA** - You will be asked whether you have received a Fidelity Service for Exiting Employees ('SEE') Rollover IRA Kit. If you haven't received a SEE Kit, the Fidelity representative will send out one. Then, your rollover request will be entered on the system and will pend (for up to 90 days) until the Rollover IRA Account is set up. You must return the signed Rollover IRA application to Fidelity's Retail Customer Service Department (in Dallas, TX) in order to set up the Rollover IRA Account. Once the Rollover IRA account has been set up, your vested Account balance will be transferred to the Fidelity Rollover IRA.

- b. Rollover to Non-Fidelity IRA** - A check will be issued by the Trustee payable to the IRA custodian or trustee for your benefit. The check will contain the notation 'Direct Rollover' and it will be mailed directly to you. You will be responsible for forwarding it on to the custodian or trustee.
- c. Rollover to your New Employer's Qualified Plan** – You should check with your new employer to determine if its plan will accept rollover contributions. If allowed, then a check will be issued by the Trustee payable to the trustee of your new employer's qualified plan. The check will contain the notation 'Direct Rollover' and it will be mailed directly to you. You will be responsible for forwarding it on to the new trustee.

#### **4. Combination Non-rollover Distribution and Direct Rollover Distribution**

You may request that part of your distribution be paid directly to you and the balance rolled into an IRA, your new employer's retirement plan, or a 403(a) annuity. Any part of the distribution paid directly to you will be subject to the Federal income tax withholding rules referred to in subsection a) above and any direct rollover distribution will be made in accordance with section b) above. Your direct rollover distribution must be at least \$500.

You will pay income tax on the amount of any taxable distribution you receive from the Plan unless it is rolled into an IRA or your new employer's qualified Plan. A 10% IRS premature distribution penalty tax may also apply to your taxable distribution unless it is rolled into an IRA or another qualified plan. The 20% Federal income tax withheld under this section may not cover your entire income tax liability. In the case of a combination distribution, if any portion of the eligible rollover distribution consists of after-tax contributions, the amount paid directly to you will be considered to consist completely of after-tax contributions before any after-tax contributions are attributed to the portion paid as a direct rollover. Consult with your tax advisor for further details.

#### **5. Installment Distributions**

Your vested Account balance will be paid to you in substantially equal amounts over a period of time. You may elect annual or more frequent installments. You may elect to receive a lump sum distribution after you start to receive installment distributions, by completing the appropriate documentation. The direct rollover distribution rules referred to in the lump sum distribution section also apply to installment distributions.

## **VIII. MISCELLANEOUS INFORMATION**

### **A. Benefits Not Insured**

Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation under Title IV of the Employee Retirement Income Security Act of 1974 because the insurance provisions under ERISA are not applicable to this particular Plan. You will only be entitled to the vested benefits in your Account based upon the provisions of the Plan and the value of your Account will be subject to investment gains and losses.

### **B. Attachment of Your Account**

Your Account may not be attached, garnished, assigned or used as collateral for a loan outside of this Plan except to the extent required by law. Your creditors may not attach, garnish or otherwise interfere with your Account balance except in the case of a proper Internal Revenue Service tax levy or a Qualified Domestic Relations Order (QDRO). A QDRO is a special order issued by the court in a divorce, child support or similar proceeding. In this situation, your spouse, or former spouse, or someone other than you or your Beneficiary, may be entitled to a portion or all of your Account balance based on the court order. Participants and Beneficiaries can obtain, without a charge, a copy of QDRO procedures either by accessing the [qdro.fidelity.com](http://qdro.fidelity.com) website, or by calling Fidelity. A fee will be assessed for each new QDRO order, please reference the QDRO procedures documentation for a description of the fee.

### **C. Plan-to-Plan Transfer Of Assets**

The Plan Sponsor may direct the Trustee to transfer all or a portion of the assets in the Account of designated Participants to another plan or plans maintained by your Employer or other employers subject to certain restrictions. The plan receiving the Trust Funds must contain a provision allowing the transfer and preserve any benefits required to be protected under existing laws and regulations. In addition, a Participant's vested Account balance may not be decreased as a result of the transfer to another plan.

### **D. Plan Amendment**

The Plan Sponsor reserves the authority to amend certain provisions of the Plan by taking the appropriate action. However, any amendment may not eliminate certain forms of benefits under the Plan or reduce the existing vested percentage of your Account balance derived from Employer contributions.

## **E. Plan Termination**

The Plan Sponsor has no legal or contractual obligation to make annual contributions to or to continue the Plan. The Plan Sponsor reserves the right to terminate the Plan at any time by taking appropriate action as circumstances may dictate, with the approval of the Board of Directors. In the event the Plan should terminate, each Participant affected by such termination shall have a vested interest in his Account of 100 percent. The Plan Administrator will facilitate the distribution of Account balances in single lump sum payments to each Participant in accordance with Plan provisions until all assets have been distributed by the Trustee. Each Participant in the Plan upon Plan termination will automatically become 100% vested in his/her Account balance.

## **F. Interpretation of Plan**

The Plan Administrator has the power and discretionary authority to construe the terms of the Plan based on the Plan document, existing laws and regulations and to determine all questions that arise under it. Such power and authority include, for example, the administrative discretion necessary to resolve issues with respect to an Employee's eligibility for benefits, credited services, disability, and retirement, or to interpret any other term contained in Plan documents. The Plan Administrator's interpretations and determinations are binding on all Participants, Employees, former Employees, and their Beneficiaries.

## **G. Electronic Delivery**

This SPD and other important Plan information may be delivered to you through electronic means. This SPD contains important information concerning the rights and benefits of your Plan. If you receive this SPD (or any other Plan information) through electronic means you are entitled to request a paper copy of this document, free of charge, from the Plan Administrator. The electronic version of this document contains substantially the same style, format and content as the paper version.

# **IX. INTERNAL REVENUE CODE TESTS**

## **A. Non-Discrimination Tests**

The Plan must pass Internal Revenue Code non-discrimination tests as of the last day of each Plan Year to maintain a qualified Plan. These tests are intended to ensure that the amount of contributions under the Plan do not discriminate in favor of Highly Compensated Employees. In order to meet the tests, your Employer encourages participation from all eligible Employees. Depending upon the results of the tests, the Plan Administrator may have to refund Deferral Contributions contributed to the Plan to certain Highly Compensated Employees, as determined under Internal Revenue Service regulations. Deferral Contributions will be refunded to you from applicable investment options. You will be notified by the Plan Administrator if any of your contributions will be refunded to you. The Plan may be subject to additional types of non-discrimination testing depending upon the benefits available under the Plan.

## **B. Top Heavy Test**

The Plan may be subject to the Internal Revenue Code "top-heavy" test. In that circumstance, the Plan Administrator tests this Plan, together with any other Employer-sponsored qualified plans that cover one or more key employees, to ensure that no more than 60% of the benefits are for key employees. If this Plan is top-heavy, then your Employer may be required to make a minimum annual contribution on your behalf to this, or another Employer sponsored plan, if you are employed as of Plan Year-end. You will be vested for these contributions in accordance with the vesting shown for nonelective contributions within the Vesting section of this SPD.

# **X. PARTICIPANT RIGHTS**

## **A. Claims**

### **1. Claims Procedures**

A plan participant or beneficiary may make a claim for benefits under the Plan. Any such claim you file must be submitted to the Plan Administrator in a form and manner acceptable to the Plan Administrator. Contact your Plan Administrator for more information. Generally, the Plan Administrator will provide you with written notice of the disposition of your claim within 90 days after receipt of your claim by the Plan. If the Plan Administrator determines that special circumstances require an extension of time to process your claim, the Plan Administrator will furnish written notice of the extension to the claimant prior to the expiration of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of the initial period the Plan Administrator had to dispose of your claim. The

extension notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the benefit determination. (A different procedure applies for disability related claims – see the next paragraph). In the event the claim is denied, the Plan Administrator will disclose to you in writing the specific reasons for the denial, a reference to the specific provisions of the Plan on which the determination is based, a description of additional material or information necessary for the claimant to perfect the claim and an explanation of why it is required, and information about the steps that must be taken to submit a timely request for review, including a statement of your right to bring a civil action under Section 502(a) of ERISA following as adverse determination upon review.

If your claim concerns disability benefits under the Plan, the Plan Administrator must notify you in writing within 45 days after you have filed your claim in order to deny it. If special circumstances require an extension of time to process your claim, the Plan Administrator must notify you before the end of the 45-day period that your claim may take up to 30 days longer to process. If special circumstances still prevent the resolution of your claim, the Plan Administrator may then only take up to another 30 days after giving you notice before the end of the original 30-day extension. If the Plan Administrator gives you notice that you need to provide additional information regarding your claim, you must do so within 45 days of that notice.

## **2. Review Procedures (For Appeal of an Adverse Benefit Determination)**

You may appeal the denial of your claim made under the procedures described above within 60 days after the date following your receipt of notification of the denied claim (a different procedure applies for disability related claims – see the next paragraph) by filing a written request for review with the Plan Administrator. This written request may include comments, documents, records, and other information relating to your claim for benefits. You shall be provided, upon your request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits. The review will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. Generally, the Plan Administrator will provide you with written notice of the disposition of your claim on review within 60 days after receipt of your appeal by the Plan. If the Plan Administrator determines that special circumstances require an extension of time to process your claim, the Plan Administrator will furnish written notice of the extension to the claimant prior to the expiration of the initial 60-day period. In no event shall such extension exceed a period of 60 days from the end of the initial period the Plan Administrator had to dispose of your claim. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the benefit determination. (A different procedure applies for disability related claims – see the next paragraph). In the event the claim on review is denied, the Plan Administrator will disclose to you in writing the specific reasons for the denial, a reference to the specific provisions of the Plan on which the determination is based, a description of additional material or information necessary for the claimant to perfect the claim and an explanation of why it is required, and information about the steps that must be taken to submit a timely request for review, including a statement of your right to bring a civil action under Section 502(a) of ERISA following as adverse determination upon review.

If your initial claim was for disability benefits under the Plan and has been denied by the Plan Administrator, you have 180 days from the date you receive notice of your denial in which to appeal that decision. Your review will be handled completely independently of the findings and decision made regarding your initial claim and will be processed by an individual who is not a subordinate of the individual who denied your initial claim. If your claim requires medical judgment, the individual handling your appeal will consult with a medical professional who was not consulted regarding your initial claim and who is not a subordinate of anyone consulted regarding your initial claim and identify that medical professional to you. The Plan Administrator must notify you in writing within 45 days after you have filed your claim in order to deny it. If the Plan Administrator determines that special circumstances require an extension of time to process your claim, the Plan Administrator will furnish written notice of the extension to the claimant prior to the expiration of the initial 45-day period. In no event shall such extension exceed a period of 45 days from the end of the initial period the Plan Administrator had to dispose of your claim. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the benefit determination.

The Plan Administrator shall notify you of the Plan's benefit determination on review within a reasonable period of time, but not later than 60 days after receipt of your request for review by the Plan, unless the Plan Administrator determines that special circumstances require an extension of time for processing the claim. If the Plan Administrator determines that an extension of time for processing is required, written notice of the extension shall be furnished to you prior to the termination of the initial 60-day period. In no event shall such extension exceed a period of 60 days from the end of the initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the determination on review.

The Plan Administrator shall provide you with written notification of a plan's benefit determination on review. In the case of an adverse benefit determination, the notification shall set forth, in a manner calculated to be understood by you – the specific reason or reasons for the adverse determinations, reference to the specific plan provisions on which the benefit determination is based, a statement that you are entitled to receive, upon your request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits.

## **B. Statement of ERISA Rights**

As a Participant in the Plan, you are entitled to certain rights and protections under ERISA. ERISA provides that all Plan Participants shall be entitled to:

### **1. Receive Information About Your Plan and Benefits**

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated SPD. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each Participant with a copy of this Summary Annual Report each year.
- Obtain a statement telling you the fair market value of your vested, accrued benefit, as of the date for which the benefits are reported, if you stop working under the Plan now. If you do not have a right to a benefit under the plan, the statement will tell you how many more years you have to work to get a right to a benefit. This statement must be requested in writing and is not required to be given more than once every twelve (12) months. The Plan must provide the statement free of charge.

### **2. Prudent Actions by Fiduciaries**

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you, other Plan Participants and Beneficiaries. No one, including your Employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a retirement benefit or exercising your rights under ERISA.

### **3. Enforce Your Rights**

If your claim for a benefit under the Plan is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. The Plan's agent for legal service of process in the event of a lawsuit is the Plan Administrator. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim frivolous.

### **4. Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also

obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **C. When to Bring an Action in Court**

You may file a lawsuit regarding the denial of an appeal after following the claims and review procedures above. You must file any lawsuit within 12 months after the date the Plan Administrator issued its final decision on an appeal. If you do not file a claim or exhaust the claims review process for any reason, any lawsuit must be filed within 12 months of the date of the conduct at issue in the lawsuit (which includes, among other things, the date you became entitled to any Plan benefits at issue in the lawsuit). If you fail to file a lawsuit within these timeframes, you will lose your right to bring the lawsuit at any later time.

## **XI. SERVICES AND FEES**

Fees and expenses charged under your Account will impact your retirement savings, and fall into three basic categories. *Investment fees* are generally assessed as a percentage of assets invested, and are deducted directly from your investment returns. Investment fees can be in the form of sales charges, loads, commissions, 12b-1 fees, or management fees. Certain of these Investment fees may not apply depending upon the funds and share classes available in the Plan. You can obtain more information about such fees from the documents (e.g., a prospectus) that describe the investments available under your Plan. *Plan administration fees* cover the day-to-day expenses of your Plan for recordkeeping, accounting, legal and trustee services, as well as additional services that may be available under your Plan, such as daily valuation, telephone response systems, internet access to plan information, retirement planning tools, and educational materials. In some cases, these costs are covered by investment fees that are deducted directly from investment returns. In other cases, these administrative fees are either paid directly by your Employer, or are passed through to the participants in the Plan, in which case a recordkeeping fee will be deducted from your Account. *Transaction-based fees* are associated with optional services offered under your Plan, and are charged directly to your Account if you take advantage of a particular plan feature that may be available, such as a Plan loan. For more information on fees associated with your Account, refer to your Account statement or speak with your Plan Administrator.

## **XII. LOAN PROCEDURES FOR TTT West Coast, Inc. 401(k) Retirement Savings Plan**

### **1. Loan Application**

You may apply for a loan by contacting Fidelity. You may apply for only one loan each calendar year. All loans (except loans for the purchase of a principal residence) have been pre-approved by the Plan Administrator based on the criteria outlined in the Plan's loan procedures. Loans will be allowed for any purpose. A loan set up fee of \$75.00 will be deducted from your Account for each new loan processed. An annual loan maintenance fee of \$25 will be deducted from your Account for each loan.

### **2. Loan Amount**

The minimum loan is \$1,000 and the maximum amount is the lesser of one-half of your vested Account balance or \$50,000 reduced by the highest outstanding loan balance in your Account during the prior twelve month period. All of your loans from plans maintained by your Employer or a Related Employer will be considered for purposes of determining the maximum amount of your loan. Up to 50% of your vested Account balance may be used as collateral for any loan.

### **3. Number of Loans**

You may only have 1 loan outstanding at any given time. If you have an existing loan you may not apply for another loan until the existing loan is paid in full.

### **4. Interest Rate**

All loans shall bear a reasonable rate of interest as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate shall remain fixed throughout the duration of the loan.

### **5. Loan Repayments and Loan Maturity**

All loans must be repaid in level payments through after-tax payroll deductions on at least a quarterly basis over a five year period unless it is for the purchase of your principal residence in which case the loan repayment period may not extend beyond 10 years from the date of the loan. If repayment is not made by payroll deduction, a loan shall be repaid in accordance with procedures provided by your Plan Administrator. The level repayment requirement may be waived for a period of one year or less if you are on a leave of absence, however, your loan must still be repaid in full on the maturity date. If you are on a military leave of absence, the repayment schedule may be waived for the entire length of the time missed on leave. Your loan will accrue interest during this time, and upon return from a military leave of absence, your loan will be re-amortized to extend the length of the loan by the length of the leave. If a loan is not repaid within its stated period, it will be treated as a taxable distribution to you.

### **6. Default or Termination of Employment**

The Plan Administrator shall consider a loan in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of a default, death, termination of employment, or disability, the entire outstanding principal and accrued interest shall be immediately due and payable. However, if your termination of employment results from a corporate action on the part of your employer and you remain performing the same job after that corporate action, within 60 days of your termination of employment you may request that the Plan Administrator roll over your loan to your new employer's retirement plan (if such new plan will accept your loan roll over). Unless you roll over your loan, any default in repayment to the Plan will result in the treating of the balance due for your loan as a taxable distribution from the Plan.
