

Institutional Performance Fact Sheet

The Bureau for Private Postsecondary Education (BPPE), as the regulatory body for private postsecondary institutions for the State of California, requires that each institution provide the information in the charts below to students, prior to enrollment, as evidence of recognition of the need to address consumer protection.

In compliance with the California Postsecondary Education Act of 2009, Community Christian College provides the following performance facts.

Completion Rates (includes data for two calendar years)

The Associate of Arts Degree: Program Length: Two Years

_____ School Official Date

Definitions

1“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period.

2“Students available for graduation” is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

3“Graduates” is the number of students who completed the program within 100% of the program length. 4“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation. 5“150% Graduates” is the number of students who completed within 101-150% of the program length.

6“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.
