

6th Biennial Print Portfolio Exchange

DEADLINE EXTENDED TO JUNE 30, 2018

ABOUT

Atlanta Printmakers Studio is pleased to announce the 6th Biennial Print Portfolio Exchange. Atlanta Printmakers Studio (APS) is a nonprofit organization that supports and promotes the fine art of printmaking.

In our current era of rapid change, global communication, international news and cosmic exploration, artists have the opportunity to reflect on their environment - whether internal or external; natural or unnatural; violent or placid. How does the world around us change? How do we, as artists, experience, contribute to or become affected by these shifts? What gets buried; what is revealed? Participants are asked to create a traditionally printed edition in response to these real or perceived environmental transformations. We invite you to participate in Climate exChange.

EXCHANGE REQUIREMENTS

- Open to all artists 18 and older.
- Edition size: 12 numbered impressions. You may produce a larger edition but the first 12 should be designated for this exchange.
- Paper size 8 x 8 inches (20.3 x 20.3 cm). Square and circular formats (8 inch diameter) accepted.
- Please include interleaving or glassine cover sheets between each print (cut to match paper size).
- Prints must use at least one traditional printmaking process such as intaglio, lithography, relief, serigraphy, letterpress, or any combination of the above.
- Mixed media such as digital prints, cyanotype or photographs is acceptable if combined with one or more traditional printmaking processes listed above. No reproductions will be accepted.
- Each participant will receive a custom designed portfolio of 10 randomly selected prints.
