In America, far too many dogs and cats spend their lives, homeless, in shelters. As guardians of these animals, we must take responsibility for their out-of-control numbers. Carefulness on the pet-owner's part--choosing to adopt from a shelter instead of buy from a pet store or a breeder and spaying or neutering and licensing pets--can lead to a decrease in the amount of homeless strays and cats and dogs living too much of their lives waiting, in shelters, to be someone's companion.

The Denver Municipal Animal Shelter (DMAS) was built in 1972 to serve as a pound.
The shelter is moving to a new location in June 2011.

The Cats' League and Assistance of the Western Slope (CLAWS), a non-profit, all volunteer organization, periodically rescues cats and kittens from DMAS and takes them to CLAWS' location to help ensure their adoption.

DMAS offers vaccination clinics for dogs and cats weekly.
A dog or cat license is included with the cost of the vaccination.

The Dumb Friends League's Lulu Mobile provides donor-subsidized cat and dog spay/neuter surgeries and vaccinations for pets belonging to people in underserved areas.

One out of every five companion animals becomes lost at one point in their lives.
Of these lost pets, owners recover only about 2% of cats.

Only 16% of dogs are ever recovered.

WHAT TO DO IF YOU WANT TO LEAVE A PET WHEN WE ARE NOT OPEN TO THE PUBLIC

If the shelter is closed and it is before 8:00 p.m.
(to include Sundays and Holidays before 6:00 p.m.)

Please ring the bell by the front door and wait for someone to come and assist you with the pet.

If the shelter is closed and it is between 8:00 p.m. and 6:00 a.m.
(to include Sundays and Holidays between 6:00 p.m. to 6:00 a.m.)

If both drop boxes are full or if they are locked between 8:00 p.m. and 6:00 a.m.
(to include Sundays and Holidays between 6:00 p.m. to 6:00 a.m.)

Please take the pet home and return when the shelter is open to assist you with the pet.
