

Bespoke Tasmania wins prestigious Luxury Travel Guide Global Award

Premium small scale tour operator, Bespoke Tasmania has won the “Exclusive Tour Operator of the Year award for Hobart” Australia for 2016, by UK based Luxury Travel Guide.

This prestigious award recognises Bespoke Tasmania’s success and innovation with exclusive tours based around visitors’ individual interests, destination and experiences which are not readily available to the general public.

Bespoke Tasmania also creates exceptional tours for those fortunate house-guests at both MONA (Museum of Old and New Art) and Saffire. Bespoke Tasmania has taken tours to a level not previously seen in Tasmania. A recent example, a tour for a global philanthropic art group, based in Saville Row, London was a triumph.

Derwent Valley & Surrounds - a Bespoke Tasmania Tour

A pristine and beautiful part of the world relatively unknown, with mountain fresh water passing fertile river flats creating world leading produce - centuries ago, and now...

- Experience the 1860's history where Australia's hop-growing and commercial beer production began – in a remarkably well-preserved colonial farm not open to the public.
- Learn about Hops and Hopbines (yes that 'b for bine' not 'v for vine'). See some of the largest and most historic hop-fields/buildings in the world. As well as some of the most technologically advanced.
- Taste those special hops in craft beers with flavour matched food.
- Travel through beautiful scenery amidst rivers ringed by wild mountains.
- Lunch amidst prized Tasmanian heritage
- Time-out then for a little fish-feeding at an historic hatchery. Hear the tales about the origin of all trout fishing in Australasia. It's quite a story...
