

HULL MINSTER

MINSTER EDUCATION

Welcome to Hull Minster!

About Us

Hull Minster is Hull's civic church at the heart of the Old Town. It is as old as Kingston-upon-Hull itself and has been part of the fabric of life here since it was built in 1285. Still an active faith community, it plays a large role in the wider community of Hull. It is a centre for everyone in the city and beyond to worship, explore, enjoy and belong – especially you!

Our Aim

Our aim is to make education fun, interactive and informative. Children and young people are encouraged to explore using multiple senses, discover answers for themselves and to ask questions. Whether that means hunting down hidden signs of Hull Minster's past, considering the modern ethical issues of the Christmas story, acting out a baptism around our 14th Century font or going on your own pilgrimage around the church to learn about Christian heroes, your visit is sure to be a unique experience!

In this booklet, you will find a number of educational workshops available to schools and community groups. All workshops are designed to fit with the SACRE guidelines for Hull and East Riding, and many incorporate other curriculum subjects too.

Please note that certain areas of the church are inaccessible in 2017 due to building works

Workshops

- All workshops are 2 hours long unless otherwise stated. Whole day programmes can be created by combining 2 workshops. Workshops usually run 9.45-11.45am and 12.30-2.30pm.

- We are able to be visited on the same day as your visit to another place of interest in the City Centre
