Terms & Conditions: "Aja Heise" hereafter referred to as "the client"

(1) A non-refundable deposit of 50% is payable upon reservation. The remaining balance is due on or before the day of the ceremony. (2) In the event that more than one client wishes to book wedding services on the same day, preference will go to the first client to pay the deposit. Rescheduled weddings will only be accommodated if the new date does not conflict with another booked wedding. (3) It is the client's responsibility to secure access to areas for videography. Hook Creative, LLC will not be responsible for coverage lost due to access restrictions. Church or location restrictions may prohibit us from obtaining a desirable aisle walk. If we are not allowed to be in the pews or if there is not enough space to accommodate the cinematography in the ceremony location for the bride's entrance, we will obey church/location rules. If you would like to get special permission for us to be in a certain location, you must obtain permission from the church or representative from the location. (4) Creative aspects such as shooting and editing style are at the discretion of Hook Creative, LLC. (5) Hook Creative, LLC will not be held liable for any production problems beyond our control, e.g. bad weather, accidents, poor acoustics/lighting, interference from guests, etc. Additionally, we may use a small video light at dimly lit receptions in order to obtain the best quality on the final film. If this light is offensive in any way, we will turn it off, however client shall be aware that the resulting footage without such light may be very dark and exhibit extreme noise grain. We ask that if you do decide to have us turn this light off, that the reception's house lights be turned up in order to obtain the best lighting possible. We ask that you give us ample time to set up before any main event — we need at least 3 minutes to get our audio recording going and our cameras ready before a big event such as toasts or cake cutting. We are not responsible for missed footage due to poor communication from your wedding coordinator at your event. Please make your coordinator aware of this policy. We may go slightly over or under the total filming hours. No refunds will be given if we go under the filming hours. When your time limit is drawing close, we will alert you in advance. An additional charge of \$250 per hour will be issued as an additional invoice if approval is made of additional filming time. (6) Hook Creative, LLC reserves the right to terminate this contract at any time for any reasonable cause, e.g. accident or ill health. In this event all monies paid will be refunded in full. (7) Any liability on the part of Hook Creative, LLC will be limited to the amount of monies paid. (8) Upon taking possession of the finished product, the client must inform Hook Creative, LLC of any technical or other problems with the video within 7 days. After 7 days, if no notification has been received, the client will be deemed to be satisfied with the product.
