LOOKBOOK

**cef**  
INNOVATE.CREATE.REPEAT.

Located near Hickory, North Carolina, the heart of the furniture belt, CEF (Custom Educational Furnishings) has been hand assembling furniture for over 40 years. CEF offers an award winning and innovative product line that accommodates virtually all areas of a school. We are a leader in creating Makerspace & STEM focused furniture which has expanded into the classroom, media centers, common areas, and more. Additionally, we have years of experience in manufacturing charging and media carts, computer tables, and lecterns; each thoughtfully designed with both teacher and student in mind.

At CEF, we take great pride in producing makerspace, classroom and technology furniture that accommodates specific needs, and is built with quality and functionality in mind. We have a trained and dedicated team that carefully assembles all offered products while providing convenient lead times.

We are proud of our product line and the employees that make CEF a driven, genuine company. Our showroom and factory doors are always open for site visits, and we invite you to experience the success that is Custom Educational Furnishings.

## ESTO TOP OPTIONS

### HIGH-PRESSURE LAMINATE WITH COLORED T-MOLDING

Our high-pressure laminate tops with a substrate of particle board core are offered in 12 colors of T-Molding and 14 colors of HPL allowing for pops of color in the classroom and endless color palette ideas. They feature an integrated X pattern support frame that fits flush to the bottom of the desk and is secured alongside each leg assembly. This frame offers reinforced strength and quality and is pre-installed by CEF to help save time on installation.

Integrated Steel Frame  
\*Only on HPL Tops with Colored T-molding

### FENIX® INNOVATIVE MATERIALS ON BALTIC BIRCH

Award-winning Fenix offers premium smart innovative material. Fenix Innovative Surfacing is a soft to the touch, anti-fingerprint, ultra-matte surface. Its premium make up creates a surface that is highly resistant to scratches, abrasion, and repeated cleaning. This smart material also boasts thermal healing of superficial micro-scratches.

Scan QR to watch!

### HIGH-PRESSURE LAMINATE ON BALTIC BIRCH

Our high-pressure laminate tops with a substrate of Baltic Birch requires no T-molding or edge banding. The edge is exposed layers of wood that are sealed with a conversion varnish, providing a smooth durable satin finish, which offers beautiful aesthetics and a seamless edge around the desktop. Durability with texture that creates a warm environment.

\*Additional sizes available upon request and project size.  
Ask your CEF sales associate for more details.

**ALL INCLUSIVE** - Introduced in 2017, CEF's award-winning Original ED Table quickly became sought after by schools across America for designs in classrooms, makerspaces, studios, and more, with two other popular iterations following soon after. This ground-breaking line of tables was designed with maximum efficiency for custodial staff, teachers, and students alike. Featuring mobility, ample storage, and integrated electrical, this table has everything you need - and it all comes standard for one all inclusive price.

Available in 36" & 42" heights

Schools are fortunate to have such a thoughtful and detailed furniture manufacturer for all types of learning spaces in CEF. High quality products and they have a great team to work with!  
 - Crimson, CEF Dealer

# GENERAL INFORMATION & TERMS OF USE

## BECOME A DEALER:

CEF does not sell direct to schools, so we are always looking to partner with dealers who value a genuine relationship and want to add our innovative products to their offerings. To become a dealer, please call us at 1-800-255-9189.

## PRICING & TERMS:

CEF makes every effort to give our dealers advance notice on any price changes. However, prices could be subject to change without notice. Freight is calculated upon request for quote and honored for 30 days from the date the quote is created. Our credit terms for invoice amounts are NET 30. Invoices are generated on the same day that product is shipped out. New customers who have not submitted proper credit references will be required to pay before product is shipped. CEF accepts Visa, MasterCard and American Express.

## PURCHASE ORDERS

Please send purchase orders to [cef@cefinc.com](mailto:cef@cefinc.com). Please include quantity, part number, description, color selections for all products, ship-to address along with consignee name and phone number.

## FREIGHT:

All pricing reflects FOB Taylorsville, NC-28681. Although we take every precaution to avoid shipping damages, unfortunately damages still take place. It is important that our freight damage guidelines are followed in order to have the best possible outcome. Failure to follow these guidelines could result in additional costs to our dealers or end users. Packages MUST be inspected carefully & thoroughly by the consignee. If there is any damage or question of damage, the consignee must ask the delivery driver to remove the packaging and inspect the product before leaving. The consignee should request the delivering carrier to record on the delivery receipt any damages to product or packaging at the time of delivery.

Additionally, any shortages should be noted on the delivery receipt. If further damage is found after delivery, the delivering carrier must be notified at once of concealed damage and there should be an immediate inspection by the delivering carrier. Cartons must be held by the consignee for carrier inspection, which expires after 15 days. CEF will assist to obtain claim settlement, but the consignee must take the necessary steps to obtain proof of loss and damages. NOTE: Carriers are not responsible for damage or shortage after the delivery receipt is signed without a damage or shortage notification! If a customer selects a freight carrier, the customer is responsible for any freight damage claims.

## RETURNS:

Returns must be requested and authorized within 7 business days and are subject to a 25% restocking fee plus return carrier fees. Custom products are not eligible for return under any circumstances. Item(s) must be undamaged and in their original state.

## LEAD TIMES:

CEF strives to exceed customer expectations where lead times are concerned. All of our product is made to order, and hand-assembled by our talented manufacturing team.

Off-peak season (November-April) 4-6 weeks or less

Peak season (May-October) 8-10 weeks or less

A shipping date will be assigned within 2 business days upon receipt of order. Every effort will be put forth to meet the assigned shipping date. However, there are occasional unforeseen events that can delay shipments. As a result, CEF will not pay for split shipments.

## WARRANTY:

At the discretion of CEF, we ensure to replace or repair product which proves to be defective in original workmanship or manufacturing in which becomes evident within the first 12 years from the date of purchase. In order for CEF to honor this warranty, all products must be housed in an environment of controlled temperature and humidity, and the proper guidelines must be followed for care and cleaning.

### EXCEPTIONS:

Treated Butcher Block and Tough Tops- 5 years.

Untreated Butcher Block Tops – 1 Year

Casters (Charging Carts, STEM Carts, Tables) - 5 years

Metal Stools - 5 years

Electrical components on all furniture & charging carts - 3 years limited lifetime\*

Dry Erase/Marker board Surface Laminate - 1 year

Articulating, Fixed or Clamp-on Mounted Monitor Arms - 1 year

Locks - 1 year

Pneumatic Sit to Stand Height Adjustable Base - 1 year

Glass Tabletops - 1 year

### EXCLUSIONS:

CEF warranty does not apply to:

Product that has not been properly cared for per care & use instructions.  
Normal wear and tear.

Abnormal or abusive use of product.

Transit damage caused by freight carriers other than CEF truck and trailer. Please see separate guideline around freight damages.

Modifications to product that are not approved by CEF engineering.

Products that were not assembled properly, used, or maintained in accordance with product instructions and care guidelines.

\* Limited lifetime; provided by the surge protector manufacturer. Surge protectors are designed to sacrifice themselves in order to save equipment connected to them in the event of a power surge. Consequently, a surge protector that has experienced a surge and no longer conducts A/C power has performed its duty protecting connected equipment.
