hello!

I'm Connie, a Visual Brand and Website Designer in Lincoln, Nebraska. I work with small businesses to create logos, Squarespace websites and marketing materials so they can look amazing, both on-line and off.

If your small business needs an on-line home that communicates with your customers and is easy-to-manage I'd love to hear about your project. Visit [ConnieHolen.com](http://ConnieHolen.com) to see how we can work together.
