Brownsville 2015 Holiday Happenings

LIVE MUSIC AT CAROL SING & TREE LIGHTING

**Brownsville Community Church & West Windsor Town Hall
Brownsville, Vermont**

Saturday, December 5th, 2015

On Saturday, December 5th at 3:00, carolers will gather at Brownsville Community Church for a community rehearsal sing-along in preparation for the Carol Sing at the Tree Lighting which will take place next door at Town Hall at 4:30. Albert Bridge School faculty, students and staff will join in with the community in this sing-along featuring traditional Christmas and contemporary holiday songs accompanied by Christian Huebner and lead by Mark Aldrich.

Christian Huebner will lead the four part (Soprano, Alto, Tenor and Bass) carols from the keyboard which is a wonderful stage piano synthesizer. This instrument is able to produce many high quality instrument sounds such as piano, harpsichord, harp, celeste, organ, chimes and bells to name a few resulting in a wonderful variety of accompaniments.

Immediately following the rehearsal, which is open to all, will be the Holiday Tree Lighting at the West Windsor Town Hall next door. The Tree Lighting will take place at 4:30 and members of the community will sing carols around the trees with live music and there will be a fire pit and refreshments to add to the festivities.

At 7:00 the community will be treated to the Brownsville Community Church's Christmas Concert. Rev. Christian Huebner has arranged this concert which will feature a collection of choral, instrumental, organ and piano musical offerings. This concert is the last of a series of four free-to-the-public concerts that Brownsville Community Church has offered to the public this year.
