

*Afterlives with Kara Cooney*

Episode #13: Crash Course - A Leader's Power & Trickle Down Economics

Kara Cooney & Jordan Galczynski

In this Crash Course episode, Kara and Jordan discuss Kara's earlier exploration of the relationship between success of a leader and the economy. How are monuments used to interpret the legacy of a leader? How do economic systems uphold inequalities? All of these and more will be discussed using examples from the ancient world and today.

- More on the Christian concept of [predestination](#)
- Trickle down economics
  - [General information](#)
