TRIPLE CROSSING

About Our Pizza:

Our partnership with the creator of RVA's Billy Bread was born out of a love for all things fermented, with pizza near the top of the list. Expect our pies to be heavily influenced by and in the vein of the Neapolitan style: thin crust, baked in our super hot oven, with a delicate touch of leoparding* lending an additional depth of flavor to the dough that was fermented 24 hours prior to baking. These pies are designed to be consumed in one sitting without weighing you down. Our pizzas are made using 00 Italian flour**, Italian tomatoes, fresh mozzarella, and locally sourced hot Italian sausage.

*LEOPARDING: CHARRED SPOTS EVIDENT ON THE CRUST OF A PIZZA COOKED AT HIGH TEMPS.

**OO FLOUR: A MORE FINELY GROUND ITALIAN PIZZA FLOUR DESIGNED TO CREATE TEXTURE IN THE DOUGH.

ORDERS CAN BE PLACED WITH A SERVER OR AT THE BAR.

Check out our other location in Downtown Richmond at 113 S. Foushee St. Richmond, VA
