Future Clinic Patrons

Support building and equipping the E.A. & Jenny Rasmuson Community Health Center with your generous donation. Sponsors will be acknowledged with a unique engraved metal plaque that will be displayed on a special donor wall at the entrance of the new facility.
E.A & Jenny Rasmussen Community Health Center Donor Wall

The E.A. & Jenny Rasmussen Community Health Center is close to becoming a reality in the community of Skagway, Alaska. Construction of the new Clinic will begin in June of 2008, with completion anticipated for Fall of 2009. In the spirit of a challenge grant awarded by the Rasmussen Foundation, we encourage your support for constructing and equipping the new Clinic that will serve residents and visitors alike, regardless of their ability to pay. Patrons of the Clinic will have a metal plaque with their names engraved on it displayed on a special donor wall at the Clinic's entrance.
