Moda Junior All-State Audition Requirements 2019-2020

Information and Requirements

Orchestral String Students in grades 7-9 may audition for the All-State Junior Orchestra. (Orchestral String students in grades 10-12 may audition for the All-State Senior Orchestra.)

Participation in All-State Activities is contingent on the following qualifications:

● **Eligibility:** Students must currently be enrolled in an instrumental music class as part of an independent (private), parochial, or public school music program in Maryland.
  ○ In high schools that use an alternate schedule program, students are eligible if they are earning credit for their ensemble class that year.

● **Audition:** Students must attend the audition on the scheduled date. Audition materials will include material that is intended to demonstrate a high level of musicianship. Students will play for a panel of judges. Following the auditions, students with the highest overall scores across each section will be invited to participate in the Junior All-State Orchestra which rehearses February 21-23, 2020. In order to maintain balance, a cohort of alternates may be selected.
  ○ All materials must be prepared as outlined in the requirements below. Please be aware, in the interest of time, the judges may include additional cuts to the excerpts during the audition. They will make students aware prior to their audition starting, and all cuts will be the same for all students auditioning on that instrument.
  ○ It is highly recommended that the MODA links be used, as they contain all cuts, tempi markings, and any additional notes for the performer. We are not responsible for any issues that may arise if the music is not from the MODA links.

This year’s audition date is **Saturday, November 16, 2019**

Bassists:
Bassists accepted to perform in an All-State Ensemble may be assigned to Band instead of Orchestra, as per instrumentation needs.

Harpist Needed:
A harp player will be needed this year. This position is open to any student entering grades 7-12. Auditions will also take place on the Junior Orchestra audition day (Saturday, November 16, 2019).
