Specialist Techniques

Alternate Cable Cast-on – a tutorial in PDF format can be downloaded from here:
<http://www.woollywormhead.com/knitting-crochet/>

Brim

Using Alternate Cable cast-on method, cast on 64 [72, 80] sts.

Join in the round, taking care not to twist the stitches. Place stitch marker to indicate the start of the round.

Work K1, P1 rib until work measures 5.5 [6, 6.5] in/14 [15.25, 16.5] cm from cast on edge. (the Brim of this Hat is folded several times, creating that ultra thick and cosy look)

Body

Now knit every round, creating stocking stitch in the round, until work measures 7 [8, 9] in/17.75 [20.25, 22.75] cm from cast on edge.

Crown

19in size jump to Rnd 5, 21in size jump to Rnd 3 & 23in size start from Rnd 1

Rnd 1: *k2tog, K16, ssk; rpt from * to end [72 sts]
 Rnd 2 & all even rounds: Knit all stitches
 Rnd 3: *k2tog, K14, ssk; rpt from * to end [64 sts]
 Rnd 5: *k2tog, K12, ssk; rpt from * to end [56 sts]
 Rnd 7: *k2tog, K10, ssk; rpt from * to end [48 sts]
 Rnd 9: *k2tog, K8, ssk; rpt from * to end [40 sts]
 Rnd 11: *k2tog, K6, ssk; rpt from * to end [32 sts]
 Rnd 13: *k2tog, K4, ssk; rpt from * to end [24 sts]
 Rnd 15: *k2tog, K2, ssk; rp from * to end [16 sts]
 Rnd 17: *k2tog, ssk; rpt from * to end [8 sts]

Break yarn and draw through remaining 8sts, tighten to close.

Finishing

Weave in all ends.

Blocking isn't necessary, however should you wish, a light blocking will help the stitches settle.

However, do note that to ensure a good fit, the gauge given should be treated as a post-blocking gauge if you intend to block your Hat.

Woolly Wormhead

Woolly Wormhead is a Hat Architect.

With an instinctive flair for unusual construction and a passion for innovation, Woolly Wormhead is a designer whose patterns are trusted and celebrated by knitters all over the world. As a designer, Woolly is driven by a need to create and develop her understanding of 3D form. Communicating her ideas and sharing her specialised knowledge with her audiences is key to Woolly's success as a designer. Woolly's high quality pattern writing ensures perfect results, teaches new skills and encourages us all to become Hat architects.
