unique & original woolly Hat designs

Picot Cast-off

The picot cast-off is a versatile, decorative cast-off that looks perfect around the edges of Hats, cuffs, baby clothes and much more.

Based on the standard cast-off and cable cast-on, the number of stitches cast-off can be varied, depending on how much space between each picot you prefer and how small or large you like your picots.

1. Using the standard cast-off, cast-off 2sts.

2. Slip the right needle behind the next stitch on the left needle

3. Using the cable cast-on method, cast on 2 sts. Then using the regular cast-off method, cast-off 5 sts.

4. Repeat steps 1 to 3 until desired no. of sts have been cast off.
