Alteration notes

The main body of this Hat is worked in a rib based on multiples of 8. Should you wish, it would be easy to substitute a different rib – try a 7x1, 5x3, 4x4 or even a 2x2.

Likewise, you could cast-on extra multiples of 8 for a larger size, or decrease the number of stitches cast-on by a multiple of 8 for a smaller size. However, if you increase the number of stitches you may need one or two plain rounds in the crown shaping to avoid too much gathering.

To alter the length of the Hat to a longer beanie work until the main body measures an inch or so longer than stated; add an additional 3 inches should you want a fold up brim.

How to

Cast on 64 [72, 80] sts
 Join in the round, being careful not to twist sts.
 Place st marker to indicate start of round.

Body

Next rnd: *K6, P2; rpt from * to end.

This round forms the pattern for the main body. Work in pattern until the main body of the Hat measures approximately 6 [6.5, 7] in/15 [16.5, 18] cm (or desired length)

Crown

Rnd 1: *K6, K2tog; rpt from * to end [56, 63, 70 sts]
 Rnd 2: *K5, K2tog; rpt from * to end [48, 54, 60 sts]
 Rnd 3: *K4, K2tog; rpt from * to end [40, 45, 50] sts
 Rnd 4: *K3, K2tog; rpt from * to end [32, 36, 40 sts]
 Rnd 5: *K2, K2tog; rpt from * to end [24, 27, 30 sts]
 Rnd 6: *K1, K2tog; rpt from * to end [16, 18, 20 sts]
 Rnd 7: *K2tog; rpt from * to end [8, 9, 10 sts]
 Rnd 8: K0 [1, 0] *K2tog; rpt from * to end [4, 5, 5 sts]

Break yarn and thread through remaining 4 [5, 5] sts and tighten to close.

Finishing

Weave in all ends. A gentle wash and blocking is recommended.

Thanks to my Patreon supporters for bringing you this freebie!

I know that not everyone can afford to pay for knitting patterns, and that's a problem. Creating quality patterns and tutorials takes a lot of work, and a lot of resources. Apart from the hours I put in, there are editors, graphic designers and more to be paid, not to mention web hosting and other costs.

So it means a lot to me to be able to give you free content. It's all thanks to the generous support of Patreon users who have pledged me a small amount each and every month. That helps to cover my costs and enables me to spend some of my precious time on creating free stuff like this, for you. Thank you, patrons! ([click here to join](#))

By the way, I've also put a lot of work into ensuring you get all the support you need to make your Hat a success.

There's a full tutorial library on my website ([click here](#)), and dedicated help threads for each of my patterns in my Ravelry group ([click here](#)). The moderators are great at providing support and encouragement, and you'll find a warm welcome from the whole group.
