WHEREAS, the most effective approach to creating safe school environments is a comprehensive, coordinated effort including schoolwide, districtwide and communitywide strategies supplemented with legislation, resources and support at the state and federal legislation level;

NOW, THEREFORE BE IT RESOLVED, that the governing board of the **Salinas City Elementary School District** has completed and holds regular drills as prescribed in both school site and district emergency plans and that said plans involve all school district personnel, law enforcement, re and medical rescue personnel, emergency management personnel and others essential to preventing, mitigating or resolving any potential crisis.

BE IT FURTHER RESOLVED, that **Salinas City Elementary School District** reviews school site discipline rules and procedures to ensure they are appropriately enforced and that the annual Notice of Parent Rights booklet explaining codes of conduct, unacceptable behavior and disciplinary consequences are given to all students, parents and caregivers.

BE IT FURTHER RESOLVED, that **Salinas City Elementary School District** will continue to work with a broad spectrum of local community stakeholders, local law enforcement, mental health professionals, parents, students, teachers and staff to take any threats of violence seriously and to develop, implement and monitor policies and programs that foster and support a positive school climate, free from harassment and violence.

BE IT FURTHER RESOLVED, that **Salinas City Elementary School District** urges the state of California and the United States Congress to invest in wraparound services to prevent bullying, harassment, discrimination and violence in our schools and to provide funding for programs and staff such as counselors, nurses and psychologists, that support students' mental, physical and emotional health.

BE IT FURTHER RESOLVED, that **Salinas City Elementary School District** asks the United States Congress to pass specific legislation that reduces the risk and severity of gun violence on school campuses and repeals the prohibition against data collection and research on gun violence by the U.S. Center for Disease Control (CDC).

BE IT FURTHER RESOLVED, that **Salinas City Elementary School District** urges the state of California and the United States Congress to implement commonsense measures that prioritize student safety and environments where all students have the opportunity to learn, grow and thrive.
