November 28, 1979

Mr. W. V. Furey:

Attached proposal for new business is located approximately one mile outside of Manchester yard limits on the Portsmouth Branch.

This particular development would undoubtedly be serviced by existing yard assignment. Therefore, before proposal is approved, consideration must be given to a run-around at this location to enable the yard switcher to make a faster and more efficient move.

E. R. TOWLE
11/14/79

Mr. E.R. Towle:

This proposal for new business outside yard limits of Manchester Yard. Approx. 1 mile of Manchester Yard. Approve and if approved should be a yard or road assignment and also will need a crew. I will keep this portion of Portsmouth Branch open during winter months and an embargo placed on it.
