

## Cactus

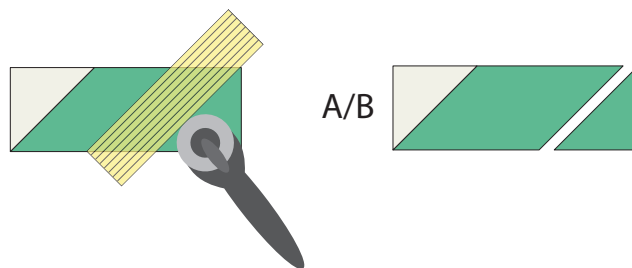

Read through all instructions before beginning. Remove selvages. Cut pieces exactly as listed in instructions. Sew pieces right sides together and use an accurate  $\frac{1}{4}$ " seam allowance.

### Rectangle Units

1. Draw a diagonal line on the wrong side of each  $2\frac{1}{2}$ " fabric A square. Noting orientation of the drawn line, place a marked square right sides together on a corner of a  $2\frac{1}{2}$ " x  $6\frac{7}{8}$ " fabric B rectangle as shown. Sew just outside the line on the corner side to keep the unit square. Trim  $\frac{1}{4}$ " past the sewn line. Press to dark fabric.

2. Noting orientation of the seam and using the straight edges and  $45^\circ$  marking on a ruler, cut the opposite end of the rectangle diagonally, creating an angled end parallel to the stitch line. Makes one A/B rectangle unit. Unit should measure  $2\frac{1}{2}$ " x  $6\frac{7}{8}$ ". Make a total of four A/B rectangle units.

3. In the same manner as in Steps 1 and 2 and noting the mirror image of seam/diagonal edge orientation, make a total of four A/C rectangle units. Press seams toward the dark fabric.

### CUT

#### •Fabric A

- » Two  $4\frac{7}{8}$ " squares cut in half diagonally
- » Four  $2\frac{1}{2}$ " x  $6\frac{7}{8}$ " rectangles
- » Four  $2\frac{1}{2}$ " squares

#### •Fabric B

- » Four  $2\frac{1}{2}$ " x  $6\frac{7}{8}$ " rectangles

#### •Fabric C

- » Four  $2\frac{1}{2}$ " squares

#### •Fabric D

- » Two  $4\frac{7}{8}$ " squares cut in half diagonally

### Notes

### BLOCK ASSEMBLY

1. Referring to the Block Assembly Diagram and noting placement and orientation, sew one large fabric A triangle, to one A/B rectangle unit to make a quarter section. Repeat with one A/C rectangle unit, and one large fabric D triangle to make a second quarter section. Make four quarter sections.

2. Sew two quarter block sections together to make a half block. Make two half blocks. Note: Handle half-block carefully to keep from stretching the long bias edge.
