

Morning Star

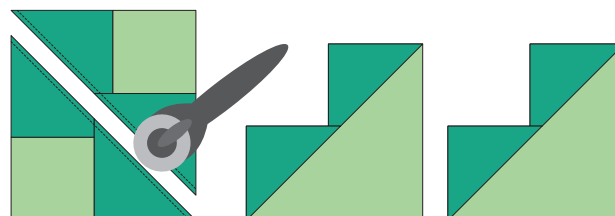

Read through all instructions before beginning. Remove selvages. Cut pieces exactly as listed in instructions. Sew pieces right sides together and use an accurate $\frac{1}{4}$ " seam allowance.

No-Waste Flying Geese Units

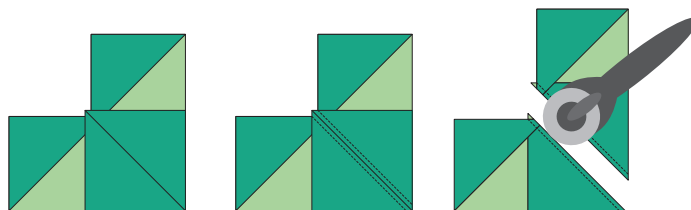

1. Draw a diagonal line on the wrong side of four $3\frac{1}{8}$ " fabric B squares. Place a marked square right sides together on the corner of the $5\frac{1}{2}$ " fabric A square. In the same manner, place another marked B square in the opposite corner, overlapping the squares in the center as shown.

2. Sew a $\frac{1}{4}$ " seam on each side of the drawn line. Cut apart on the line. Open and press. Makes 2 Flying Geese sections.

3. Noting orientation of the drawn line, place a marked B square right sides together on the fabric A corner of one Flying Geese section as shown. Sew a $\frac{1}{4}$ " seam on each side of the drawn line. Cut apart on the line to make two A/B Flying Geese units. Open and press. Trim units to measure $2\frac{1}{2}$ " x $4\frac{1}{2}$ ", leaving a $\frac{1}{4}$ " seam allowance on each side.

4. Repeat Step 3 with the remaining section for a total of four A/B Flying Geese units.
