## The Program

---

Marine View Christian Preschool, a ministry of Marine View Presbyterian Church, provides a warm and loving Christian environment where children can learn, grow, and play. Our goal is to develop the self-esteem of all students by teaching them that God created them unique and special and that He loves them just as they are. We prepare our students for kindergarten and beyond in the following areas.

Language and Literacy

Math

Social Skills

Art and Creative Expression

Dramatic Play

Fine and Gross Motor Skills

Our curriculum encourages children to learn through observation, imitation, experimentation, practice and interaction with other children and adults.

## Class Sizes/Schedule

---

Class sizes are limited so that our teachers have more quality time to spend with the children. Classroom aides assist the teachers.
