BILL: S2016 – SB16

TITLE: From SCOCC to Co-Chair: Changing the Abbreviation of Student Co-Chair of Community Council

SPONSOR: Tiff Chang, Co-Chair of Community Council

DATE: April 10, 2015

Whereas the current language in the bylaws for the abbreviation of Student Co-Chair of Community Council is “SCOCC”,

Whereas “SCOCC” is a long and clunky acronym,

Whereas people have avoided using the word “SCOCC” because of its phallic nature,

Be it resolved that…

Each mention of “SCOCC” shall be repealed and replaced with “Co-Chair” in the constitution and bylaws, and that Co-Chair become the official abbreviation of Student Co-Chair of Community Council.

Respectfully Submitted,
Tiff Chang, Co-Chair of Community Council
