

— Healer Training Workshop —

— From a healer family tradition with over 29 years of healing experience in China and the USA, and over 33 years of energy self-healing practice in Taoist Light Qigong.

What are we going to learn?

- *How to see the energy.*
- *How to read the energy.*
(Energy Diagnosis)
- *How to facilitate others to heal particular physical, mental, and emotional conditions:* indigestion, headaches, infection, arthritis, high blood pressure, chronic fatigue syndrome, cysts, cancer, abuse trauma, manic depression, etc. ...
- *How to find and clear out the root of the problem, turning illnesses into blessings.*
- *How to balance the energy for general, all-around maintenance.*
- *How to integrate physical, mental, emotional, and spiritual energies into a dynamic wholeness.*
- *How to feel the energy.*
- *How to transmit energy to others.*
(Intuitive Healing)

Please bring a notebook and your healing intention.

Location and time to be determined.
