Parking and Transportation for Attendees:

Parking is available in the lot behind the shop. All of the parking along the fence (facing away from the back of the building) is available to Craft South customers, with the exception of a single space that is next to the dumpsters and has a sign that states it is reserved.

If the lot is full, there is usually street parking available on both of the streets on either side of our block – Montrose and Gilmore.

In addition to standard cabs, we have Uber and Lyft in Nashville and can recommend both services as a way to get to the shop. If you have never downloaded the Lyft app before, you can use our code **craftsouth** for \$5 off your first 10 rides.

If you are driving and need assistance finding us, you can always call the shop and we will be happy to help!
