PLANNING COMMISSION
MEMBERS NEEDED

The Mayor and Town Council are seeking volunteers to serve on the Planning Commission. The current project in need of Planning Commission assistance is the Growth Management Act Comprehensive Plan Update. If you are interested in becoming involved in the future planning needs for the benefit of your community, please contact Town Hall for more information.

To review the current CDMC, please visit www.codepublishing.com/WA/CouleeDam/

REMEMBER: Residential or Land Clearing Burning is NOT ALLOWED in Coulee Dam

FIRE DEPARTMENT

The Coulee Dam Fire Department is currently understaffed and is seeking new memberships! If you would like to become a member, please contact the Mayor at Town Hall for more information.

*Please be assured that in the meantime, Coulee Dam Residents ARE being covered by Grand Coulee, Electric City and Elmer City Fire Departments.

WASTEWATER TREATMENT PLANT

Project Status: The Wastewater Treatment Facility Construction is currently about 85% complete. Total Change Orders to date is less than 1% of project costs. Construction schedule is approximately within a week of the current scheduled work.

Current Work: Work is wrapping up on the primary treatment site: basins, headworks, laboratory and disinfection system and moving toward demolition of the existing facilities and construction of the new biosolids dewatering facility.

Bringing a new wastewater facility online can be challenging – the development of new biology, dealing with ongoing dewatering from the old plant, new systems, etc. The process is somewhat unpredictable and stressful – the fact that the new facility was put on line and gotten to a point of some biological maturity without any violations is a testament to the operator, onsite construction staffing and contractor. Adding to the equation there is almost zero change orders equates to a pretty successful project.

Utility payments are ALWAYS due on the 25th of each month. Late fees are applied on the 26th. If payment is not received by the 5th of the month following late fees, utilities WILL BE SHUT OFF!

UPCOMING EVENTS
