¾ BUSHEL BOX: Minimum \$45 value each week, will be fresh-picked for \$675, suitable for a family of 4-5

PRODUCE VARIETY • We are growing a variety of fruits and vegetables this year (check out the full list on our website). Each week we do our best to provide a wonderful assortment of produce. Variety will depend on growing conditions, as well as the planting and harvesting schedules. Sometimes you will get more produce than needed for the week, so consider freezing or canning for later use. Produce will typically be picked and packed directly. It is recommended that all produce be washed before enjoying.

PAYMENT • Please submit a minimum \$100 non-refundable payment with this agreement. Remaining balance is due by June 28th (first pick-up). Payment may be made by cash, check, debit or credit card.

CROP BOXES • We request that all CSA customers use our crop boxes for ease of pick-up. Crop boxes will be available for a \$20 refundable deposit. The member must return their crop box each week for pick-up.

PICK-UP • Wednesday at the farm, from 4:00 – 7:00 p.m.

FORFEITED PRODUCE • We ask that you please do your best to arrive during the scheduled pick-up time. If you are having difficulty with a pick-up, please contact us soon as possible and we will work to make alternate arrangements. A member's share will be donated to a local food pantry when not picked-up. Please notify us if you will be on vacation. When on vacation, an alternate friend or family member may pick up your share.

COMMUNICATION • Please ensure that you provide a method of communication on the sign-up form below. You may also sign up to receive our regular newsletters via email.

SUBSCRIBER'S RISKS AND REWARDS • Blueberry Hill Organic Farm will use our best efforts to generate a successful and plentiful harvest throughout the growing season. This includes multiple plantings, daily monitoring, and care. Quantities and variety may vary each week due to a host of factors that can affect a harvest. We will ensure that all members get more than their monies worth during the season. At times there will be a surplus and this surplus will be offered to our CSA members before donating to the local food pantry.
