

# CHRIS LANG

*Dialect Coach for Film, Television and Theatre*

*I am a **DIALECT COACH** who specializes in working with actors of all skill levels. My background as an actor helps me translate accent work effectively for actors so they can master their dialect and integrate it seamlessly into their acting. I have been a dialect coach and consultant for Harvard University, TED, Two Bit Circus, A.R.T., Toneel Groep Amsterdam, MXAT. and many others...*

*I can coach all your lead and supporting actors, your guest and co-stars with energy and precision! My clients range from up and coming new talent to seasoned veterans with dozens of films to their credit.*

## SOME HAPPY CLIENTS!

### MY SPECIALITIES:

#### Production

*I'm available from pre-production through post. Short term or long term jobs, location jobs, remote coaching via Skype, group sessions for multiple actors. Months in advance or last minute – I can take care of your production.*

#### Actors

*I've worked with seasoned vets and actors who had no experience with dialects with equal success! I've worked with hundreds of actors on dozens of accents and dialects, and languages. From British and American accents to Aramaic and ancient Greek language I've got you covered. My goal is to get each actor to fully realize the accent and integrate it into their acting to serve the director's vision for each piece.*

#### How Many Accents Can I Coach?

*Too many to list here! Scores...*
