MISSION STATEMENT

A designer should not be constrained by borders or languages. My experiences abroad in Taiwan and the USA broadened my creativity and has brought me new points of view that are essential in design.

As a very curious person, I take inspiration from different fields: from psychology to art history to contemporary trend-forecasting. I never forget to bring a poetic touch to my work and always consider the importance of elegance.

EDUCATION

Nov. 2014 : Global design master's degree with honors (summa cum laude) - ESC Troyes

02/2013 - 06/2013 : Exchange student at the National Yunlin University of Science and Technology of Douliu, Taiwan, in Cross-Cultural Design

Sep. 2012 : Bachelor's Degree in Product Design with honors (magna cum laude) - ESC Troyes

Jun. 2008 : Bac L (Literary) (A-level) with distinction / specializations Cinema and Fine Arts.
