

Lockers & Parking for the 2016-2017 school year will be sold next week.

Monday, April 25th – Rising Seniors

Wednesday, April 27th – Rising Juniors

Friday, April 29th – Rising Sophomores

Students who are on the honor roll (which is posted on www.bufordhs.org) may purchase lockers & parking between 7:00-7:15am in the Commons Area. All students may purchase lockets between 7:15-7:45am in the Commons Area. Students who arrive early may line up down the 300 Hall, in single file, and wait for their time.

Lockers cost **\$20**, and parking costs **\$50**. To purchase parking, students **A.** must already have a license and **B.** must provide a copy of their license AND their car insurance policy. Students must have made copies of these items *before they get in line*. There will not be a copier in the commons area. (An alternative to a copy machine: take a high quality picture with your phone and print it out.)

Students may not purchase parking until they have a valid driver's license. If a student obtains a license after next week, they can purchase a parking spot from the Media Center between 8am-2pm on June 2nd, June 9th, June 16th, or July 28th.

To pay for lockers and parking, you have two options: A. Bring cash/check on your designated day. B. Pay on MyPaymentsPlus, and *bring your printed receipt*. You must bring your printed receipt from MyPaymentsPlus; we do not have access to accounts from the Commons Area and will not be able to verify payments electronically. We cannot simply view a receipt on a student's phone; they must have a physically printed copy.

PLEASE NOTE THAT LOCKER & PARKING FEES ARE NON-REFUNDABLE.

Thank you!
