

# Helicopter Stories

*A creative and holistic approach to learning  
For EYFS and Key Stage 1*

The Helicopter Stories approach, pioneered by **Vivian Gussin Paley** and championed in the UK by **Trisha Lee**, supported by **Isla Hill** and theatre and education charity **MakeBelieve Arts**, harnesses the power of storytelling to inspire powerful learning outcomes in key curriculum areas, such as Communication and Language, Personal, Social and Emotional Development and early compositional skills in Writing.

Trisha Lee's workshops are fully interactive and practical.

*"Thank you. You gave me a bit of my heart back."*

## Why choose Helicopter Stories?

- It is an inclusive whole-class approach to learning that values every child's contribution.
- It engages creativity, boosts self-confidence and improves speaking and listening skills
- It promotes collaborative learning in a supportive, safe environment
- And it allows children to explore the power of words, forming a bridge into the world of writing
