take away orders.**

LOCAL BUSINESSES LOVE TREATING THEIR EMPLOYEES & CLIENTS TO C. BERRY'S

We've been told when the aroma of our delicious smoked pork, brisket, or turkey starts wafting through the hallways and offices, employees go to their *happy place*.

We also cater weddings, graduations, game days, anniversary and birthday parties, and other special events. Give us a call or stop in and see us for more information.

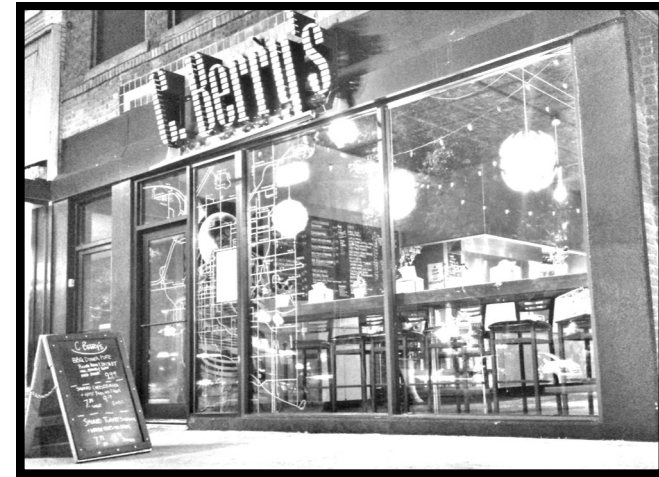

When should I place my order?

We believe in low and slow when it comes to smoking meat. BBQ is best served fresh, and our tiny kitchen has it's limits. We appreciate it when our customers order in advance - especially on orders over 100.00.

How do I place my order?

The best way to place your order is to email us at eatcberrys@gmail.com or call us:
