PRESIDENT'S MESSAGE

By John Hommel

September 2013 President's Message

As the summer winds down and we get back to work and school, we also get back into a routine that encompasses our time. As part of your routine for the coming months, consider attending the Carle Place Civic Association general meetings. The format will be different this year as we will be hosting a Merchant of the Month to recognize and highlight , as well as, recognizing a community service association.

We, as a community, need to aspire towards the common goal of keeping Carle Place great! This can only be done if we all work together. Working together entails tackling the issues in our town. We need to hear from you as a community to see what you would like changed, corrected or created. Without your voice there is no way we can know what the community thinks. This way we can confront these issues. One thing I know is there is strength in numbers. It is important to have a large community presence when we invite guest speakers to our general meetings. We need to show the dedication, caring and strength of our commitment to making Carle Place a great place to live and raise our children.

At the meeting you will not only meet our local merchants and other community organizations but you will also be brought up to date on the various ongoing issues within the community that affect all of us. Each month one of our board members updates the audience on the new business openings and some of the different activities, shows, concerts, etc. We also have board members attending Town and County meetings that affect our area. It is important when they share these details to get the community's input so that our concerns and/or support is conveyed through the proper channels to ensure change and progress.

As a Civic Association we will strive to bring the community together and want to move forward to make Carle Place great, but we will need the help of all you, the members. We hope you will take the time to come out to our meetings and show your support for the community, let's work together!

One other note, in order to be able to vote in the November elections, you must be registered by September 25th.

BETTER SCHOOLS BETTER COMMUNITIES *By Bob*

Harvard studies shows that, second only to parents, teachers are the most important part of a child's education. Great teachers make a great difference in a child's life chances.

Case in point: Greta Jensen Tomic, who passed away peacefully this summer with her three children at her bedside. Greta graduated from Lawrence High School in Falmouth in 1949 and was proud to be class valedictorian. She attended Radcliffe College, graduating in 1953 with a BA in English Literature. At Radcliffe she met her husband, Fletcher Tomic, a student at Harvard, and they were married in 1952. The Tomics lived in our community for 35 years. Greta taught 5th and 6th grade for 25 years in the Carle Place School District. She loved theatre and directed many plays at Rushmore. She also loved her profession and excelled at it, earning a "Teacher of the Year" award and much praise from parents, students and colleagues. She had high regard for her fellow teachers at Rushmore, and for the CPHS music and theatre teachers. Bill Westcott, a fellow teacher, once said in awe, "I have never heard anyone say a negative word about Greta." Reading fiction was her passion, starting with Nancy Drew mysteries in 3rd grade and ending with all the major contemporary fiction authors of 2013. She was an active member and often the leader of three book groups. Greta loved The New York Times, which she read every day of her adult life, starting when

she first saw it in the library at Radcliffe at the age of 18. She was an avid crossword puzzle enthusiast, and an accomplished home cook. Greta is survived by her three children and their families. Betsy Tomic, Bill Tomic, and Jim Tomic were all outstanding students and athletes in our Carle Place schools and outstanding citizens in our community. A memorial service will be held in Falmouth at a date in the near future. Donations may be made in Greta's honor to AAUW of Cape Cod, care of PO Box 1127, Sagamore Beach, MA 02562. For online condolences please visit www.ccgfuneralhome.com

Emanuel Raff, the Carle Place School District's first English Department Chairperson, passed away peacefully at 93 on July 17, 2013. He is survived by his wife of 65 years, Ruth, his sons Joshua and Hershel, and their families. Josh and Hershel were outstanding students and athletes throughout their K-12 experience in our schools and community. Manny was a quiet, thoughtful and dignified person who lived a long and rich life. He and Ruth loved to read widely, travel extensively and attend the theater, dance, lectures and art exhibits. He served admirably in World War II as an infantryman in the South Pacific, and was awarded a Bronze Star and a Purple Heart, among other commendations. After graduating from Montclair State Teachers College, he earned his M.A. from Columbia University and did post-graduate work at the University of Pennsylvania before starting his teaching career. Manny was for many years Chairman of the English Department at Carle Place High School. In addition to service in

CARLE PLACE AUTOMOTIVE

Carle Place Automotive, located at 300 Westbury Avenue (opposite the Post Office), 333-0304, owned by Louie and Gus, has been serving the Carle Place community for over 25 years. They were the owners of the Exxon Gas Station on Old Country Road, as G&L, and Cherry Lane Repairs on Cherry Lane.

Carle Place Automotive is a full repair station, including State inspections, oil changes, brakes, etc., etc., and are open six days a week. They execute excellent, friendly, and accommodating service.

Louie and Gus have been long-time community-minded merchants, sponsoring a Little League team, and supporters of the Boy Scouts, Carle Place Seniors, and the Civic Association's Fun Run.

It is always good to support businesses that support our community.

Next time you need an automotive repair, stop in at Carle Place Automotive.

SENIOR CITIZENS

By John T. Heslin

Welcome back. Hope you had a pleasant, restful summer.

At our last meeting in June, Lucille Corte was recognized for all her years as Director of the Carle Place Senior Citizens. Lucille stepped down from her position to spend more time enjoying her family and other endeavors. She remains a loyal member of the club. Barbara Heslin has been appointed as the new Director.

In July two great trips were enjoyed by many seniors -- a barbeque at Pomona, NY on July 9th and a luncheon at Gurney's Inn with a guided tour of Montauk on July 16th.

Fun Mondays at North Hempstead Beach Park was a huge success this summer with many seniors in attendance. The Health Fair was bigger than ever with many free screenings and handouts.

As we move ahead, trips have been planned to Atlantic City's Resorts Casino on September 26th, a luncheon/show featuring White Christmas at Westchester Broadway Theater on November 20th, and our annual Christmas/Holiday party at Westbury Manor on December 5th.

New members are always welcome. Dues are only \$10 per year. Meetings are held on Tuesdays at Charles Fuschillo Park with coffee, cake, socializing, and guest speakers from 11:15 AM to 12:45 PM. The formal meeting starts at 1:00 PM. For more information, call 997 -7271, or email cpseniorcitizens@yahoo.com.

To the families of Roselie Brenner and Beatrice Lione, we share in your loss. These women were two wonderful ladies and loyal club members.

Stay Well!

FILLING YOU IN

By CATHERINE M. FASCILLA, DDS

Bonding- A Great Alternative

When you smile, do your teeth appear chipped, cracked, misaligned or discolored? If you are not happy with your mirror image, you may want to consider cosmetic bonding. The procedure is simple, and can usually be completed in one visit. A tooth colored composite resin material is applied to your existing teeth for an improved natural appearance.

Bonding can also be used to replace old silver fillings in the posterior (back) teeth. The old filling material is removed and the tooth is restored with a natural composite shade that matches your individual tooth color. After the material is bonded in place, the only person who will know you have fillings when you smile is you!

Bonding is just one of the many forms of cosmetic dental treatment that can improve your smile. Your dentist can recommend a particular treatment that is right for you after examining your mouth and considering your individual needs. If you don't like the way your teeth look, ask your dentist about cosmetic bonding.

Shooting the Breeze

By Fred Moreno

JoAnn - You can't go to Waldbaum's now! I have Rick coming to give us an estimate on a couple of home improvements.

Fred - But I only have two knishes left! (Pause) Wait a second! Did you just say you have Rick coming? What for? I can do my own home improvements!

JoAnn - Just yesterday you had to call Peter from the Water Department to come over and help you change the Brita filter! (Doorbell rings) Now here comes The Man.

Rick - Hey, guys. So Fred, did you ever get that Brita filter on?

Fred - You heard too?

Rick - I heard you called everyone - including 911. Anyway, JoAnn, I put some numbers together based on our last two meetings -

Fred - What meetings? Where was I?

JoAnn - You weren't home for the last one because you had to run to the bookstore to get the autograph of that idiot hero of yours.

Fred - Weird Al Yankovic is not an idiot. Hey Rick, what's your take on Weird Al?

Rick - I see the connection! So JoAnn, I came up with a total somewhere between thirty-two and thirty-seven depending on a few things.

Fred - Thirty-two and thirty-seven hundred? What the heck!!

Rick - Do you want to break the news to him?

JoAnn - The bad news, Fred, is that the estimate is between thirty-two and thirty-seven thousand. (Screaming) Rick! Help

me! I think he hit his head on the glass table. I think it's cracked!

Rick - His head or the table?

JoAnn - Here, Fred, take a sip of water.

Fred - (Coming to) No, I'm not drinking it! Peter never put in that Brita filter. Get me a cream soda from the fridge. (Sitting up and shaking the cobwebs out) Sorry, I thought someone said thirty-seven thousand.

Rick - Uh, I did, but replacing the roof, siding, windows, leaders and gutters does add up.

JoAnn - And we've been letting things go for thirty-five years.

Fred - Yeah, but I'm also not letting go of \$35,000. I have an easy solution, just help me up. (Stands and begins to pace up and down ala Perry Mason while sipping his cream soda) Now I admit that I'm no contractor, but I am a creative genius. Your estimate forces me to demonstrate that fact once again which will ultimately save thousands of dollars. Let's start with the roof. Now our present roof is twenty years old and the only reason why we changed it back in 1993 was because my wife didn't like the color of the old one even though at the time it was only ten years old! So...if you remove our present twenty year old roof you would thereby expose our ten year old roof which is exactly what - WE'RE GOING TO DO!! (Puts down the cream soda and lights up a Sherlock Holmes pipe)

Rick - (whispering) JoAnn, what is he doing?

JoAnn - I have no idea. He doesn't even smoke!

Fred - Now to the windows. Windows are completely overrated. They are closed and unused from October to March, then shut tight again during the A/C months of June, July and

Drop off Time: 9:30 AM - 3:00 PM

For safety reasons, NO materials will be accepted PRIOR TO 9:30 am on a collection day, nor will they be accepted later than 3:00pm sharp.

The S.T.O.P. (Stop Throwing Out Pollutants) program offers residents of North Hempstead the opportunity to dispose of their household hazardous waste in an environmentally friendly manner. Many people do not realize that ordinary household products, such as aerosols and cleaners, can be corrosive, explosive, or toxic if mixed indiscriminately with regular household garbage. Please take an extra moment to check labels for warnings, and please take advantage of the S.T.O.P. dates to ensure safe disposal.

Explosives, fireworks, ammunition, radioactive materials, and commercial or industrial wastes not accepted.

EYE OF THE HURRICANE

By Bob Greco

We mourn the passing of four community members who have contributed to our schools and community for over 60 years and who dedicated themselves tirelessly to making our schools and community a safe haven for our children and grandchildren and for generations yet to come.

Dennis Calbi was a fixture at adult recreation basketball. He and his wife Annette were also regular attendees at all school and community activities to support their children and grandchildren. His children, Jill, Lisa and Dennis, were outstanding student athletes and contributed to the schools and community on every level of participation, enthusiasm, good sportsmanship and example.

Santa "Sandy" Delio of Westbury was the widow of the late Michael "Mike" Delio and devoted mother of John, Sal and Michele. Sandy and Mike were always at the games and activities of their children and grandchildren and ran the "Associated" food store with generosity and community spirit as their first priorities. Sandy's smile and optimistic attitude were a force at inspiring all who knew her to keep the faith and keep our community's youth at the forefront of our thoughts and lives.

Paul Henry Echausse, 85, former Deputy Mayor of Westbury, passed away peacefully at home in late July after a brief,

courageous battle with cancer. Paul, who is survived by his wife Joan, was the loving father of Mary Ellen, Paul J., Nancy, Peter, Patrick, Timothy, Elizabeth and Brian. Paul and Joan were an inspiration to the entire community, and all who needed guidance, encouragement and renewal found them to be loving, compassionate and helpful in any way they could.

Beatrice C. Lione, beloved wife of Joseph, loving mother of Michael and Linda, also passed away in late July. Beatrice volunteered at Mercy Hospital and in the Westbury Chapter of Meals on Wheels, was a Visiting Nurse in Garden City, and was a member of Carle Place Senior Citizens. Beatrice and Joseph were always there for their children and grandchildren as well as for their neighbors in all aspects of community life. Joseph was my dad's catcher when they were growing up in New York City, and our families all came to the Birchwood development in 1953. At the 50th anniversary of the Birchwood development, whose models were on Glen Cove Road, I asked Beatrice how all these diverse people from all over New York City's five boroughs ever found Carle Place in 1953. She responded with the fun, wit and wisdom that she always displayed: "It was the last exit on the parkway!" she said. They came off exit 31 and the five models were right there and my house became 294 Glen Cove Road.

Shooting the Breeze Continued From Page 9

August. So that only leaves September, April and May when we open them six inches from the bottom. By the way, can you name anyone who opens a window from the top? That's what I thought! So the bottom win- I mean - the bottom line is that people rarely utilize windows. So I ask, why invest in them? WELL WE'RE NOT!! (Puts on an Atticus Finch type vest he grabs from the hall closet. With thumbs inserted he continues.)

Fred - Next is the siding. Once again Rick, you sided the house back in 1978 and you must admit that the sides are in decent shape. I will admit that the front of the house is in only fair shape, while the back of the house is in very good condition. So...leave the siding as is on the East and West sides, remove the good siding on the South side and flip flop it with the siding on the Northern exposure. People judge you from the front, not the back...

Rick - (Whispering) I think he hit his head harder than what we thought!

JoAnn - I have Dr. Phil's number on my speed dial! You think I should call?

Fred - ...and lastly, have either of you ever seen leaders and gutters hanging from log cabins, Swiss chalets or the mansions in Newport? Again, I hear silence. So why the heck do we need them? Like windows, they are totally unnecessary. The fact is that in 2012, there was less than

ninety days of precipitation

- meaning it rained or snowed only 39% of the time. So for 61% of the year those dirty aluminum eyesores are nothing more than glorified bird nests. And I hate birds!! Now practically speaking when it does rain or snow, all I have to do is line up, I don't know, 20-30 Chock full o' Nuts coffee cans around the perimeter of the house to collect the water. (Pausing) Excuse me, Rick, why aren't you taking notes? Rick?

Rick - I think Weird Al Yankovic should get your autograph. In all due respect, JoAnn, how do you live with this guy? I'm here 10 minutes and I'm shaking!

Fred - Do I get you nervous, Rick? Be careful! Your shakes may develop into shingles. Get it, Mr. Fix-It? Shingles?

JoAnn - You don't know when to stop, do you Fred?

Fred - Well I have to stop pretty soon because I'm reaching my limit.

JoAnn - What are you talking about?

Fred - Part of the deal in bringing my column back to the Frog Horn is that I'm not allowed to write more than 1500 words and I have a feeling I'm almost

Girl Scout Troop 3096

by Lisa Passariello (Troup Leader)

Congratulations to Girl Scout Troop 3096 of Carle Place / Westbury. The girls completed three years as Juniors and have Bridged over to Cadettes. As Juniors, they were involved in many hours of volunteer work and performed several Community Service Projects. The Troop participated two years in a row at the Carle Place Relay for Life selling handmade items, such as painted rocks, angel necklaces and book marks. After Hurricane Sandy, the girls collected a van full of used books and toys which they donated and delivered to the children of Long Beach. The girls also sold their handmade items at the McAngel's local fundraiser held at the High School. They enjoyed Christmas caroling through their neighborhood during the holiday season and making ornaments to hang on the town tree after every tree lighting ceremony. Working together, the Troop earned the Bronze Award, the highest achievement for a Junior. The topic of their Bronze Award Project was to improve the environment, protect natural resources and learn the value of recycling. For one part of their project, the scouts asked friends and families of their community to help collect bottle caps of all sizes and colors. They ended up collecting over 15 pounds of caps. Using some of the caps, the girls created 3 feet tall colorful flowers which

were then donated to the Ronald McDonald House. The rest were donated to Rushmore School's recycling program. The girls of Troop 3096 enjoy helping others and giving back to their community. Isn't that what Scouting is all about?

IT'S THE LAW

By Francis X. Moroney, Esq.

Under a law passed last year every homeowner that wants to receive the *Basic STAR* exemption on their primary residence and benefit with reduced real property taxes must register with the NYS Department of Taxation and Finance. Once registered, you will not need to re-register.

IF YOU DO NOT REGISTER, YOU WILL NOT RECEIVE YOUR BASIC STAR EXEMPTION.

Senior citizens who receive the Enhanced STAR exemption are not affected by the new registration requirement and nothing will change for them.

Why was this registration law passed?

This new Basic STAR registration law was passed to stop people from fraudulently obtaining multiple STAR exemptions. Breaking this law or providing false information may result in fines of up to \$2,500.00. So get it done on time in a fully truthful manner.

How do you register?

For property owners living in Nassau County the Codes necessary will not be available until mid-September 2013. Each homeowner will receive a letter that will tell you how, when and where to register and it will contain a "personalized code" that you will need to register on-line or on the telephone. If you

do not have a computer, call 518-457-2036. That line is answered between the hours of 8:00AM and 8:00PM Monday through Friday.

If you have a computer you can go to <http://www.tax.ny.gov/pit/property/star13> and register. But before you do you will need to have some information ready. In addition to the STAR code you will also need the name and Social Security number for each property owner. This includes any and all co-owners, including spouses.

What else do you need to know?

You can only have one Basic STAR exemption and it must be on your primary residence. That means married couples may have only one STAR exemption. The combined income of the owners, including spouses residing at the property may not exceed \$500,000.00.

Registration will continue to December 31, 2013.
Try to avoid the New Year's Eve rush!

So get it done now while it is fresh in your mind. It's as easy as one, two, three!

Cherry Lane, Carle Place, New York 11514

September 2013

The Carle Place Athletic Booster and Physical Education Foundation Club ("CPABC") seeks to encourage involvement and support of our students in the Middle School and High School athletic programs. Our efforts to support the athletic programs are dependent on membership contributions and fundraising efforts. The funds raised through your membership contributions enable the CPABC to donate and fund needed equipment, scholarships, tournament sponsorships, and assist individual athletes &/or teams that have successfully advanced to statewide competition. Over the last ten years, through your generous efforts, the CPABC has donated in excess of \$125,000 to the Carle Place athletic program.

The CPABC also provides recognition and support of the efforts of our coaching staff and athletes. Last year we presented over 70 of our graduating seniors who participated in a varsity sport a memento for their efforts. The CPABC also awarded five scholarships to five graduating senior athletes totaling \$3,500 (an applicant must be a member to apply). We have awarded each homecoming float/skit in each grade with money to be forwarded to their grade funds, hosted the annual soccer kickoff, and provided an afternoon of fun filled activities to our younger upcoming Rushmore athletes in our annual "Sportsmania" Day.

Please consider joining to help us continue our efforts to support the Carle Place Athletes and Athletic Programs. Also, be sure to visit our Web site at www.cpathleticbooster.org regarding events, fundraising activities, and our NEW CP sports apparel.

Please submit your completed membership form along with your check (payable to CPABC) in an envelope. You can either mail it to **Chris Ceruti Carle Place HS/Athletic Dept/, 168 Cherry Lane, Carle Place, NY 11514** or place in our mailbox located in the high school main office.

Thank you in advance,

CARLE PLACE TRI-M HONOR SOCIETY and RETURNING ALUM HELP AILING STUDENT

Carle Place, NY – The Carle Place High School Music Honor Society will be holding a benefit concert featuring music of the 40's, 50's & 60's starring *The Manhattan Dolls*, a swing style female vocal trio on Fri., Sept. 27, 2013, at 8PM at Carle Place High School to aid fellow student Nicole Buttino who is battling "Good Pastures Syndrome" a rare auto immune disease which causes rapid destruction of the kidneys and lungs. The 14 year old ninth grader had been on dialysis and plasmapheresis machines 8 hours a day, 3 days a week underwent chemotherapy and is severely anemic which leaves her devoid of energy at times necessitating blood transfusions. She is now beginning the process of donor matching for a potential kidney transplant. Her mother, Jean Muller, is her sole caretaker and has not worked since Nicole fell ill. They are in dire financial shape and are in danger of losing their house. They are appealing to the community for help.

The Manhattan Dolls most recently performed in Scotland and at the Flying Legends at Duxford Airshow in Cambridge, England. They tour the world performing at airshows, military events and private parties and appear at local theaters throughout the country. This May they were featured on *Fox and Friends* and were seen on *Rachael Ray* Christmas 2012. This Dolls trio features Megan Wheeler, Sarah Drake and Carle Place High School Alum Annemarie Rosano. Ms. Rosano was last seen on the Carle Place stage as *Maria* in *West Side Story*, *Eliza* in *My Fair Lady* and *Hope* in *Anything Goes*. She studied musical theater at the Boces Arts Center and dance at the American Theater Workshop. After graduating from Carle Place, she went on to NYU appearing in *Fiorello*, *World Goes Round* and *A Chorus Line*, graduated with a BS in Music and is now pursuing a profession musical theater career. She was a main stage performer for Disney Cruise Lines and in Disney World and still maintains a working relationship with Disney Theatricals. She appeared in the world premiers of *Like You Like It* and *Pompeii the Musical* and in *Theo & Co* and *Panama Hattie* for Musicals Tonight in NYC. The Dolls are happy to donate their show to help Nicole and Jean get back on their feet.

For reserved seats call 516-662-1039 or 516-622-6458 after Sept. 4th.

Admission is \$25 and all proceeds will go directly to the family as all involved in this event have donated their time and talent.

For more information on *The Manhattan Dolls* visit their website @ www.TheManhattanDolls.com

BASIC STAR EXEMPTION REGISTRATION LEGISLATION

As a result of a law approved by the State Legislature, New York State is requiring that **ALL property owners who currently receive the Basic STAR Exemption register with the Department of Taxation and Finance (www.tax.ny.gov)** in order to receive the exemption for the 2014-2015 school year and subsequent years. This is for the Basic STAR Exemption only and does not pertain to those of you receiving the Enhanced STAR Exemption.

The following information has been provided to date:

- ★ The State will begin mailing renewal applications to North Hempstead residents September 9, 2013 through September 13, 2013. There may be as many as three separate mailings. *(You cannot pre-register; please wait to receive your application in the mail.)*
- ★ There will be two registration options, either by telephone or online (telephone number and website link will be provided on the application). Applications will contain a 7-digit STAR code number which you will use to register.
- ★ If you are registering online and cannot locate your 7-digit STAR code number, there will be a "Look Up" feature. Simply log onto the secure website and click on the drop-down arrow to select your county and town. Thereafter, enter the property address and your STAR code number will be provided.
- ★ The property owner will be required to provide his/her entire Social Security number. If multiple owners, each owner must provide his/her Social Security number. If applying online, only the last four digits of your Social Security number will appear.
- ★ Currently, the filing deadline is November 30, 2013 *(subject to change; deadline will be shown on your paperwork from New York State).*

Existing requirements will remain in effect:

- ★ The property must be your primary residence.
- ★ The combined income of the owner(s) and the owner's spouse who reside at the property cannot exceed \$500,000 for the 2012 tax year.

You should not hire a representative to complete your application to renew your Basic STAR Exemption. Additionally, be careful not to respond to emails or telephone calls from unknown sources requesting Social Security, date of birth and credit information.

Do not miss the opportunity to continue receiving this valuable exemption! Be vigilant...watch your mail in September for information from the New York State Department of Taxation and Finance. Be sure to register your property by the deadline on the application. We will provide additional information to all residential property owners as it becomes available.
