In Case of an Accident:

1. Report your accident using the BCF Claims App, call us at 212.269.4800, or visit our website at www.nybcf.org. Be sure to alert your base immediately.
2. Collect the documents necessary to process your claim:
 - May include: State DMV and TLC license numbers, vehicle insurance card, view log, vouchers, and reservation sheets, as well as any applicable Police and Medical report(s).
3. Remember, our Claims Team is here to help. If your claim is accepted, working with us will help you in receiving the fastest treatment and benefit disbursement possible.

Who We Are:

- We are The Black Car Fund, your Workers' Compensation Insurance Provider.
- We cover Black Car and Luxury Limousine drivers who are affiliated with Member Bases of The Black Car Fund that are in good standing.
- Approximately 300 Black Car and Luxury Limousine bases throughout New York State are covered.
- We provide Workers' Compensation to over 45,000 affiliated drivers.

What It Is:

- Workers' Compensation is coverage for injuries sustained while on the job.
- Coverage includes bodily injury, medical expenses, and lost wages due to injury (if the injury causes you to be out of work for 7 or more days).

How It Works:

- If you're an affiliated driver of a Black Car Fund Member Base in good standing, then services are free.
 - Check the Member Base list at www.nybcf.org/members to find out if your base is a Member of The Black Car Fund.
- Benefits are funded by a 2.5% surcharge **paid by the passengers** you provide service to, **in addition to the fare.**

Where to Find the BCF Claims Application:

- For Apple devices: Search "BCF Claims" on the Apple App Store
- For Android devices: Search "BCF Claims" on the Google Play Store

Using the BCF Claims Application:

- First time users must register within the app. Input all of the necessary information, and press "Save" in the top right corner when you're done.
- After registering, simply input your login information and press "Go" on the home screen to begin using the app.
- The app will attempt to determine your location using your device's location functionality. If the app can't find your location, or you have your device's location settings disabled, you can manually enter the incident location by pressing on the Pencil image in the top right corner. Simply press "Done" after you've finished.
- Once you've entered the incident location, you will now enter the date of the incident. Press "Next" when you're finished.
- Once you see that your report has been submitted, press "Done" in the top right corner, and that's it! Be sure to save the reference number that will be displayed on this final screen.

Shortly after, you will receive an email confirming the successful submission of your report. Our Claims Team will contact you within one (1) business day of successful report submission. Additionally, we can be reached at 212.269.4800 to answer any questions.
