ABOUT DAVE'S KILLER BREAD

Dave's Killer Bread is America's #1 organic bread company, with many varieties of whole grain organic bakery products and widespread distribution across the U.S. and Canada. One of the cleanest bread labels on shelf, Dave's Killer Bread pioneered the organic seeded bread category. All its products are USDA organic and Non-GMO Project Verified. First introduced at Portland Farmers Market in 2005, DKB's deep commitment to the power of second chances is helping transform lives and lead to positive, lasting change for its employee partners, of whom 1 in 3 has a criminal background.
