Our printer is a ten-color Epson Stylus Pro 9900 high quality inkjet printer.

In case of personal submission, we recommend to re-check and prepare the pictures on our calibrated displays with the help of our colleagues and tweak color, contrast or sharpness if necessary. Printed images will be available for you to take away after 2 business days. However, if you are in a hurry, we offer same day delivery for 20% additional charge during work hours and 40% additional charge if it falls outside work hours. Regarding printing times, we can inform you via telephone or email.

Submitted non-layered images shall be correctly sized at 300 dpi resolution TIFF (uncompressed or LZW compressed), JPEG or PSD** format files in RGB color space.

Print Mounting

Professional mounting and framing of prints:

Size/paper	Price/m ²
Foam board (5 mm)	7 300 Ft
Foam board (10 mm)	10 000 Ft
Kappa (5 mm)	11 500 Ft
Kappa (10 mm)	14 800 Ft
Dibond (2 mm)	16 300 Ft
Dibond (3 mm)	18 500 Ft
Dibond hanger	1700 Ft / meter
UV film (glossy/matte)	3 990 Ft

Whenever possible, we strongly recommend letting the prints dry out for 24-72 hours depending on ink coverage before mounting. Doing so will dramatically reduce the chance of any unwanted waving or warping of the surface. For other available carriers, please contact us directly.

3F Scanning

High resolution virtual drum scanning:

3F Scanning	Price per image
16 bit, 6300 dpi (maximum) resolution	3 500 Ft

We scan your film stocks with a Hasselblad Imacon 646 film scanner which has a stunning 6300 dpi resolution. Every inch of your stock is represented by 6300 pixels in 16bit color depth. The resulting 3F format file is the raw image of the scanner which can be tweaked with Hasselblad's freely downloadable FlexColor software. This way the final look of your scan in terms of crop, contrast, color balance and much more is in your hands.

We store your images securely on our RAID servers for fourteen days after scanning.

Retouching

Type	Price/Hour
Basic retouch	3 000 Ft
Regular retouch	4 500 Ft
Creative retouch	6 000 Ft
Creative+ retouch	Individual offer

Our “Basic retouch” service includes the cleanup of spots and scratches on the image.
“Regular retouch” includes basic retouch plus additional adjustments and corrections of the image to match the unique requirements of any given genre.
“Creative retouch” satisfies your special demands whether it’s a composite image or any other high skill dependent job.
We store your images securely on our RAID servers for fourteen days after finishing.
