Michelle Palau, Nicole Furno, and Denise Guinn

“May the God of hope fill you with all joy and peace in believing, so that by the power of Holy Spirit you may abound in hope” (Romans 15:13).

### BREVARD COUNTY

- Pray that God will protect Brevard County from the Corona virus. So far there are no cases there and we pray that this continues.
- Pray for wisdom for the Brevard team as they enact preventative measures at the festival to reduce the chance of infection and to give confidence to those who are planning to attend.
- Please pray that we will do a good job of keeping the church in Brevard County aware of and looking forward to Space Coast CityFest at its new dates of March 6-7.

### GLOBAL NETWORK OF EVANGELISTS

- Praise for the launch of **Advance Groups**. Several groups are meeting regularly. Please pray the groups that have started and will continue meeting online. Pray for those who are hesitating that they will seize this opportunity to lead or join a group. Please continue to pray for their team as they communicate the advantages of joining Advance Groups. Please pray that they would create efficient and effective systems to track and follow up with people interested in joining and leading groups.
- GNE/NGA have been holding **online prayer calls** and/or **webinars** each week. Please pray these interactive online events will encourage and meet the needs of their members. Please also pray for the technical issues that tend to arise with these events. They featured a webinar with Shane Pruitt on June 11, 2020 and will feature another with Shaila Visser on June 25, 2020. Their next interactive Prayer Calls are June 18, 2020 and July 16, 2020 with the next Prayer Call for Women on Monday, June 29, 2020.
- Pray for the planned interactive **Zoom calls (June 15, 22, 29, & July 13)** to orchestrate conversations about global **collaboration**. Please pray for the planning and coordination of these calls, and against any technical issues before the first call so that many will join to learn how they can collaborate in this season.
- Please ask God to give our team wisdom as we plan for fall events.
- Many **collaborative** events are being planned in **North America** for when we emerge from this crisis. Ask God to give wisdom to the leaders who are planning the events. Please pray evangelists will be open to collaboration and the Holy Spirit would unite them in spirit and truth. Pray for the NGA team as they help facilitate these opportunities.
