

Airbnb Design Fellow

SAN FRANCISCO, CA | JULY 2017-PRESENT

As part of this small and agile team of designers, videographers, photographers, and producers, my responsibilities included visual design, prototyping future interfaces and modules for product, motion design, conceptual storyboarding, brainstorming, and a concentrated self-driven Fellowship Project.

IDEO Design Intern

SAN FRANCISCO, CA | JULY 2016-SEPTEMBER 2016

Within IDEO's Design for Change studio, I was responsible for designing across digital and physical platforms: document creation, digital/interactive toolkits, and research. A large portion of my internship was devoted to an internal audit on IDEO's Diversity and Inclusion landscape and proceeding to design environmental installations to spark conversation.

UW UAA Research Design Specialist

SEATTLE, WA | MARCH 2016-JUNE 2016

Responsible for researching and designing for the University of Washington's Community-Based Internship pilot program. Coordinated with communications specialist to gather and generate content bank for digital collateral and worked closely with different stakeholders within the division of Academic Affairs.
