

RFQ #16-05 – Questions and Answers

Q1- Is there is any incumbent on this RFQ? What is the annual spend amount for last contract?

A1 - The WDC currently outsources IT Services on a fee-for-service basis. New funding regulations require us to competitively procure services. The WDC currently expends an average of \$4750 per month in IT services costs.

Q2- What is the budget of the contract?

A2 - There is not a contract budget because expenses are paid as incurred.
