You may qualify if you meet income guidelines—we can help you find out!

SEAKINGWDC.ORG/HWF-PROJECT

Health Workforce for the Future is a program funded by a federal grant under the Department of Health & Human Services’ Health Professions Opportunity Grant (HPOG).

HPOG is a study funded by the federal government to determine how training opportunities like HWF help people improve their skills and find better jobs. During the study, all new eligible applicants will be selected by lottery to participate in HWF. Not all eligible applicants will be selected to participate.

This document was supported by Grant 90FX0037 from the Administration for Children and Families, U.S. Department of Health & Human Services (HHS). Its contents are solely the responsibility of the authors and do not necessarily represent the official views of HHS.
