Children under 3yrs are free if no seat is required. Concession is for school students up to 17yrs and Pensioners. Performers will remain backstage during the show so no ticket is required for a performer. If they are only in one ACT and they wish to watch the other ACT in the audience, a ticket must be purchased. The show usually sells out and therefore it is unlikely that any tickets will be available at the door on the night.

A canteen will be running on Showcase day. For catering purposes any child wishing to purchase a dinner/snack must pre-order and pay in advance. For pre-ordered food, please also show your ticket to collect your dinner/snack. Food is available to pre-order when purchasing your tickets online. Envelopes will also be available at the studio should you wish to pay cash for a dinner/snack (correct change only & this incurs an admin fee). **Pre-orders will close on Wednesday 18th June at 6pm.**

Pre-Ordered Food:	Mini Wrap Rolls	\$1.60 each	<i>Varieties available: Beef/Turkey/Ham + Cheese OR Tomato + Cheese</i>
	Fruit Juice Box	\$1.60 each	<i>Varieties available: Orange and Apple</i>
	Water Bottle 600ml	\$1.60 each	

As well as the above items, the canteen will also have muffins, cupcakes, chocolates, lollies, chips, soft drink, tea and coffee available throughout the day/night, so it is advised to bring along some additional spending money. All profits from the canteen will go towards fundraising for the Hong Kong Trip next year.

Professional photos and video will be taken during the show and available for purchase. Due to Copyright & Privacy policies, photography & filming is not allowed by any unauthorised person during the show. Photos will only be allowed during the awards presentation. We understand this is stricter than previous shows but this decision has been made for the following reasons:

- 1. It is distracting to performers and other audience members – screen brightness, clicking, movement and the possibility of flash going off.*
- 2. We have the right to control the image of our company and the responsibility to protect our clientele (students/especially minors) e.g. images captured could be used to harass or bully if they are not flattering.*
- 3. To protect children from having their image recorded and/or published by an unknown 3rd party.*
- 4. To protect the Intellectual property rights of choreographers.*
- 5. This is a private event however anyone from the public has the ability to purchase a ticket to this event- the rules we have set are for the safety and consideration of our students and studio. We have the right to ask people to leave if they do not follow the rules set.*

***The Technical rehearsal will run in replacement of our normal Saturday class timetable

- During the Technical Run of each Act, students will remain in the theatre & watch the other routines until it is their turn to block and rehearse. This allows students to see all of the other routines since they are not able to watch during the show.
- Parents WILL NOT be permitted to stay in the theatre during rehearsals. If you have any concerns, we have a number of teachers and assistants helping on the day. Students will remain with Bom Funk teachers until the show commences.
- Please pack water and snacks and pre-purchase lunch & dinner online: <http://www.trybooking.com/EWTX>
- Upon arrival, please store bags in the dressing room. No food or drink is to be brought into the auditorium.
- It is compulsory for all students (excluding boys) to wear the correct make up & hair style. Should you need assistance, please let us know so that a senior student or teacher can help. For information on these requirements, please visit: http://www.bomfunk.com.au/index.php?p=1_38_Showcase-Costume-Requirements.
- Costumes – please bring your costumes to the Theatre and store them in the dressing room. Please make sure all costumes and items have name labels. Any costumes that are being hired can be collected from the dressing room. You will sign them out and sign them back in once returned at the end of the show. The retail price of the item will be charged if a costume/prop is not returned. Most of the costumes have been hired from elsewhere and are not the studio's property.
- Please do not bring any valuables – we will not take responsibility for any items that go missing during the show.
- Please do not bring any aerosol cans including hairspray and deodorant – this can set off the sensitive fire alarms and cause issues for Asthmatics.
