If they are only in one Act and they wish to watch the other Act in the audience, a ticket must be purchased.

Costumes

Costume hire & purchase fees will be added to Bom Funk accounts this week. This means that each routine's costume payment will be added to your account and an invoice will be emailed. Costumes will be tried on in classes over the next few weeks. Students will not receive their costumes until payment has been made. Hired costumes will be handed out and returned on the day of the show in a bag or on a hanger with the child's name. This bag/hanger must be returned with the costume neatly folded and name visible for the costume to be marked as 'returned.' The retail price of the item will be changed if a hired costume/prop is not returned. Most of the costumes have been hired from elsewhere and are not the studio's property.

Costume payments via cash, cheque and direct deposit are also acceptable and will be manually added to your account. If paying by cash please place in a clearly marked envelope with student name and the routines you are paying for. A complete list of what is required for costuming has been emailed & hard copies are available at the studio. It is also available to download from the Bom Funk website:

SHOWCASE CANTEEN

A canteen will be running on Showcase day to fundraise for 'J Squad, Australia' – Bom Funk Dance Studio's tour to Hong Kong. There will be a selection of healthy food and drink for students to purchase along with some sweeter snacks. Tea and coffee will also be available throughout the day/night.

We would like to sell baked treats (sweet or savoury), so if you are able to donate baked goods for the canteen, please drop them off on the Saturday morning when dropping off your child for rehearsal.

IMPORTANT: CHANGE TO TERM 3 ENROLMENTS!!!

To continue to make the enrolment process easier for families, in Term 3 we will rolling over all class enrolments from Term 2. This means that if your child/ren is currently in a class/es, they will be automatically re-enrolled in that same class/es for Term 3.

This means that if you are currently in a particular class, you will secure this place in the same class (especially important in those classes that completely filled this term) next term before new enrolments are accepted – giving priority to our existing families.

If you do not wish to continue in a class you attended in Term 2, you **MUST** email us by the start of the term (Monday 20th July) and cancel the class; otherwise you will be charged for the full term as we have reserved your position.

If you would like to join a new class, you need to select this class from the Class selection section of the Parent Portal and enrol in it, same as the start of the year. If you have any outstanding invoices remaining from Term 2, your position in the class is not secured until payment has been made.

We hope this might create a smoother term transition for everyone and welcome any feedback.

KYM AWAY

Kym will be away for the June/July school holidays. Ellouise in her Assistant Director role will be assisting with studio matters in her absence. Ellouise will be handling the studio phone, email & Term 3 enrolments (probably better than Kym;) for the first time so please understand if it takes longer to respond than usual.
