

# OUR WORK AT A GLANCE

Give2Asia works with corporations, foundations and families to fund charitable projects and social enterprises. Our local expertise and regional focus helps to build strong relationships between funders and recipients in 25 countries.

## Local knowledge counts.

People investing in charitable programs strive to understand the local context and the impact of their giving. Give2Asia makes possible programs that address critical issues such as healthcare, education, skills training, and the environment. We build long-term connections between donors and local programs in Asia by fostering trust and accountability on both sides of the giving relationship.

Give2Asia has a team of local staff, advisors and partners that ensure projects are effective, results are transparent, and grant recipients are accountable. We report on activities to certify that projects meet the needs of the target beneficiaries and the donor, and we try to find new ways to expand sources of funding.

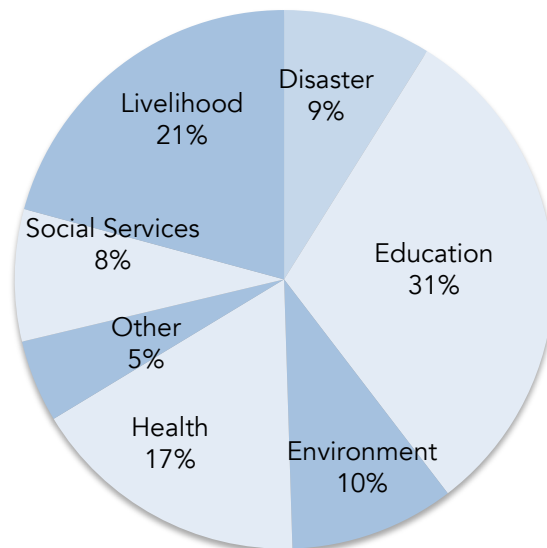

## We work in 25 countries. Our network includes 2,000 grant recipients 15,000 donors.

Afghanistan, Australia, Bangladesh, Bhutan, Cambodia, China, Hong Kong, India, Indonesia, Japan, Korea, Laos, Malaysia, Mongolia, Myanmar, Nepal, New Zealand, Pacific Islands, Pakistan, Philippines, Singapore, Sri Lanka, Taiwan, Thailand, Timor-Leste, and Vietnam.
