Dear Friend,

We’re inviting our community to review another successful year of fighting hunger and homelessness with a digital Annual Report. We’ve included some highlights in this email, but a full snapshot of our work and financial stewardship may be found at communityactionhouse.org/annualreport.

Come join us by continuing your generous investments of time, talent, and financial gifts to build Community Action House into a place that brings hope to our community. Please consider making a gift today.

In gratitude,
The Staff and Board of Community Action House

After attending CAH’s free classes, families and individuals have gone on to complete 32 home purchases. Classes were offered on Home Buying, Home Maintenance, Credit, and Financial Empowerment. Many of them are first-time homeowners.

We invite you to review the remainder of this report by visiting communityactionhouse.org/annualreport including Financial Stewardship, Board of Directors, and Program information.

Friend, We need your support today.

No matter how you choose to give, families in our community will be strengthened by your support. Help create prosperity by empowering local home purchases, by ending the cycle of generational poverty in EPIC, providing food and hope to struggling families every day, and so much more.
